Boys & Girls 7:00 PM to 10:00 PM

Danbury Sports Dome
25 Shelter Rock Lane
Danbury, CT 06810

Cost \$100

The winter indoor Premier College Combine Clinics are a great way to be seen by college coaches during the winter months. The Premier College Combines are indoor events that will allow high school players to showcase their talents in a 7 v 7 format in front of college coaches at indoor facilities. These events are specifically for individual players. Players are assigned to teams by position.

Each indoor Combine Clinic will begin with a 40 minute Clinic Session and will conclude with each player participating in at least 3 - 15 minute 7 v 7 games. The Clinic will be conducted by college soccer coaches.

Based on the number of participants per session, adjustments may be made, however a typical Combine Clinic participant will participate in the following:

- 1 / 40-minute College-Style Training session with a College Coach.
- 3 - 7 v 7 games observed by College Coaches.

Player profiles will be provided to all College coaches in attendance.

Space is very limited. Do not wait.
