USA Hockey or NYSAHA playing rules suspensions which are expressly permitted by such playing rules ("Playing Rule Suspension"), shall not require an Article XVI.D. suspension hearing ("Playing Rule Hearing"); provided, however, that a Playing Rule Suspension shall require a Playing Rule Hearing if the suspension occurs as a result of imposition of a match penalty, and in such event a hearing shall be held in accordance with the requirements of Article XVI.D. Any Playing Rule Suspension shall remain in force and be final unless modified or revoked at a hearing.

(b) Officiating Suspensions

In the case of a suspension of an official:

1. The USA Hockey League or local supervisor of officials shall have the authority to suspend a referee up to ten (10) days, and;
2. The New York State Amateur Hockey Association shall have the authority to suspend a referee after a hearing or in accordance with a

summary suspension pursuant to the By-Laws, rules and regulations of the suspending authority.

3. The boycotting of any game(s) by any official(s) due to any disciplinary action taken in accordance with these By-Laws shall subject said official(s) to additional sanctions as may be invoked by the organization subjected to said boycott after a hearing.

4. If any registered USA Hockey official is restricted or denied assignment eligibility for any USA Hockey game by an officials' organization or group of officials ("Officials' Organization"), except for good cause shown in accordance with the Officials' Organization written rules and then only for a very limited duration without a hearing as provided herein, then said Officials Organization shall be subject to suspension or expulsion in accordance with the rules and regulations herein and that restriction or denied assignment shall have no effect.

(c) Assault of Game Official

With respect to suspensions resulting from assaults on game officials from match penalties in violation of Rule 601(g) 1 or 601(j) 1 (Physical Assault on Game Officials) of USA Hockey's Playing Rules, there shall be immediate suspension from all USA Hockey sanctioned games and practices and a hearing under Article XVI.D. (Playing Rule violations) by the NYSAHA or its designated hearing body representing NYSAHA, which shall exercise original jurisdiction in the matter. If the match penalty is affirmed, the player or team official shall be suspended for not less than one calendar year with one calendar year probation thereafter. Suspensions under this paragraph (c) shall be immediately reported to the NYS Board of Directors, and the appropriate District Registrar(s). Any game official assessing said penalty shall file with his/her USA Hockey District Referee-in-Chief a written game report within forty-eight (48) hours of the incident. The Referee-in-Chief shall immediately investigate the incident and promptly submit a written opinion, together with the game sheets and reports to the suspending authority, indicating whether the incident is applicable under Rule 601(g) 1 or 601(j) 1 or is more applicable under a different playing rule. A copy of the Referee-in-Chief's written report and opinion shall be sent by the suspending authority to the player, team

The suspended party, at the time of notice of the suspension, must be provided written notice of the right to request a hearing. A. Membership Application Forms

An Association and the teams comprising the same are required to complete and submit an official USA Hockey, Inc. team roster each year, accompanied by the required membership fees of USA Hockey, Inc., and the New York State Amateur Hockey Association, (“NYSAHA”). In addition, each member Association will be required to complete and send in the "GUIDE FORM". An Association will not receive the NYSAHA mailings including newsletters, voter delegate forms and other required forms unless this form is completed each year. FAILURE TO COMPLY WITH THE ABOVE MAY LEAD TO ADDITIONAL SANCTIONS AS DETERMINED BY THE NYSAHA BOARD OF DIRECTORS.

B. Admission to Membership

1. New applicants ~~shall~~ **ARE REQUIRED TO** indicate the type of program they intend to offer **BY SPECIFYING A PROGRAM TYPE (ADULT, HIGH SCHOOL CLUB, GIRLS, WOMEN, OR YOUTH), A COMPETITION CATEGORY (HOUSE, RECREATION OR TOURNAMENT BOUND), AND A TIER CLASSIFICATION (I, II, III)** ~~Youth Associations entering as clinic/learn to skate programs, or house/recreational/non travel programs shall not play games outside their own Association without the prior approval of their Section President.~~ The Board of Directors may create classifications of membership to accomplish this purpose.

2. Associations which have not been registered with NYSAHA during the annual year immediately preceding must make application through their respective Section President and be accepted for membership by majority vote of those members of the Section present at a duly constituted Section meeting and further have the action of the Section ratified by the Board of Directors.

3. New Youth, Girls, and High School Associations and their respective teams will not be eligible for Regional, Sectional or other play which leads to NYSAHA Championships for the first year (season) after acceptance by the Section and NYSAHA, unless approved by the NYSAHA Board of Directors.

4. Changes in program type will require the same approval process as a new application.

5. Adult and Senior Women’s teams will register with NYSAHA in accordance with USA Hockey guidelines and procedures.

C. Challenge to Tier III Classification

The Tier III level for Associations was created to foster the development of new Associations and to provide a level for small Associations to compete. Over time some Associations will mature to the point where in the best

interests of amateur hockey they shall move up to the Tier I or Tier II level. Failing that Association's voluntary request to move up in Tier status, either of the following two steps may be taken:

1. Any member of the NYSAHA Board of Directors may make a motion to the full NYSAHA Board of Directors to compel a Tier III Association to move from Tier III status to Tier I or Tier II status.
2. A minimum of five (5) Tier III Associations may make a joint motion to the full NYSAHA Board of Directors to compel a Tier III Association to move from Tier III status to Tier I or Tier II status.

With respect to the foregoing:

- i. The above motions must be received by the Secretary of NYSAHA no later than thirty five (35) days prior to the NYSAHA Annual Meeting; and
- ii. In order for the motion to pass, a two thirds (2/3) majority of all NYSAHA directors (not 2/3 of those present at the Annual Meeting) must vote in the affirmative at that Annual Meeting. The Board of Directors shall determine the Tier that the Association shall move to and the decision of the Board is final.
- iii. The affected Association may apply for reinstatement to the Tier III level at the Annual Meeting of it's Section two years hence.

D. New York District Team Registration

A team must register in the Section in which eighty percent (80%) or more of its players reside. If eighty percent (80%) of the players do not reside in a single Section, the team must register in the Section where it plays the highest percentage of its home games. The NYSAHA Board of Directors must approve any exception.

E. Right to Hold Tournaments

Any member of NYSAHA may hold a tournament provided it has applied for and received sanction from USA Hockey, Inc. and NYSAHA.

F. Screening

The following screening procedure governing adults age 18 and over, who have routine access to under age 18 participant members, shall be adhered to by all Associations. The following screening deadlines and procedures will be strictly enforced:

- a. **The Association Screening Certification Form/Spreadsheet** must be submitted **to the NYSAHA Screening Committee** by November 1 of each playing season. **Complete instructions, policies and screening procedures are outlined on the NYSAHA website.**
- b. If screening documents are not submitted and postmarked by November 1, a fine of \$100 (or such higher amount as set forth below) shall be automatically imposed.
- c. If the (late) screening documents are not submitted and postmarked by December 1 of the playing season, from December 1 until the offending Association cures such noncompliance (the "Noncompliance Period"), the offending Association and all of its teams will not be permitted (i) to use

any games played during the Noncompliance Period to count towards satisfying tournament-bound eligibility requirements (such as the 20/10 or 14/10 game eligibility requirement), and (ii) to participate in Section Playdowns, Pre-Sectional, Sectional and State Tournaments. The Noncompliance Period will end upon the (late) screening documents being submitted as set forth above, but games played during the Noncompliance Period shall remain excluded from being counted towards tournament-bound eligibility.

- d. If the screening documents are not submitted and postmarked by January 2 of the playing season, at the next meeting thereafter of the NYSAHA Board of Directors a hearing will be held concerning any offending Association still not in compliance with its screening obligations hereunder, and such Association shall be afforded the opportunity to explain its noncompliance. Unless excused by the NYSAHA Board upon finding a compelling reason that caused such noncompliance, the offending Association shall lose its “Good Standing” status and Membership in both NYSAHA and USA Hockey. The loss of Good Standing and Membership will bar the Association and its teams from participating in any and all sanctioned NYSAHA and USA Hockey events, including all games and tournaments and all other on-ice activities, unless and until the status of the offending Association is restored as set forth below.
- e. When an Association loses its “Good Standing” status and Membership under this provision, the Association may reapply for its Membership in NYSAHA to be “restored” at the next immediate Spring Meeting of the appropriate Section. If Membership is restored at such next occurring Spring Meeting, such restoration may also include reinstating the Association’s pre-existing tournament-bound status at its pre-existing Tier level. The Association may also apply for membership at any other meeting of the appropriate Section pursuant to the ordinary rules of NYSAHA, but any such later obtaining of Membership shall not include restoration of the Association’s prior tournament-bound status.
- f. Fines for the late submission of screening documents will automatically be doubled if the offending Association had submitted screening documents late in the immediate prior season. The doubling of fines shall be double from the fine paid in the prior year by that offending Association. An Association that has not paid a fine related to noncompliance with screening by January 31 of the playing season, shall be subject to discipline by the NYSAHA Board, which discipline may include suspending that Association’s tournament-bound status for the following playing season or revocation of its “Good Standing” status and Membership under this provision.
- g. Appeals of the above screening rules shall be addressed directly by the NYSAHA Board of Directors. Such appeals may be determined at a meeting of the Board of Directors or via conference call of the Board.
- h. Anyone screened under NYSAHA rules and who has been arrested and convicted of an offense involving alcohol, drugs or acts of violence,

absent extraordinary circumstances that indicate it should be dealt with otherwise, will not be allowed to participate with under age 18 participant members, pursuant to NYSAHA screening rules in NYSAHA or USA Hockey. From the date of conviction: (i) if convicted of a felony, 10 years; (ii) if convicted of a misdemeanor, 5 years; and (iii) if convicted of any offenses less than a misdemeanor, 2 years. This rule shall be applied retroactively, and shall be administered by the Board (or its appeals committee) on a case by case basis to terminate suspensions presently being served under the prior version of this rule.

- i. Officials are responsible for completing the required screening documentation in compliance with the NYSAHA Screening Guidelines. Confirmation forms are to be submitted to the section referee in chief prior to officiating. Officiating Screening Guidelines can be found at the NYSAHA Officiating Program Website (www.nysho.org).

2. PARTICIPANT MEMBER REGISTRATION

A. General Rules for All Participant Members (Players and Coaches)

1. Participant Membership Application forms should be obtained from the USA Hockey District Registrar/Associate Registrar; and must be completed in full and returned to the Associate Registrar. In addition Participant Applications can be obtained by registering online with USA Hockey.

2. Upon receipt of the completed Participant Membership Application the forms will be forwarded to the District Registrar/Associate Registrar and then to the National Office of USA Hockey. The registering Association will receive a Rule Book, USA Hockey Guide Book, and NYSAHA Guide Book, for each fifteen (15) Participant Members registered, and the Association will be eligible to participate in the insurance programs provided by NYSAHA/USA Hockey.

3. In order to be eligible to participate in all State sponsored Tournaments, both natural and artificial ice Associations must submit all their Participant Membership Application forms and pay their fees in full on or before December 31st of each year. Time requirements are strictly enforced.

4. USA Hockey & NYSAHA insurance is available only to Associations that have registered all of their Participant Members.

- ~~5. Member Associations who are recognized users of the USA Hockey Cross Ice Skill Development Program are eligible for certain fee waivers for trained coaches. In order to be eligible for fee waivers, member Associations must notify the District Cross Ice Skill Development Program Administrator in writing of their intent to register a Cross Ice Skill Development Program team. Members must also identify a trained Head on Ice Instructor and Program Administrator as a part of the written notification.~~

5. Players will be allowed to move from one team (association) to another team (association) at the conclusion of the State Tournament for 10 and under players and at the end of National Tournaments for players 11 and above. At the conclusion of the respective tournament the player must obtain a PLAYER/FINANCIAL release from the association that they are

leaving showing they have no financial and/or equipment obligation. When a player joins a new association and the association and player commit in writing, that commitment to participate is for the next complete season. Until the season ends (after respective tournament) no permission to move will be granted without extenuating circumstances. The request must be submitted to the respective Section Vice President who will MAKE THE DETERMINATION AND present it to the NYSAHA Board of Directors. Extenuating Circumstances shall include, but not be limited to the following:

- (i) The Association has signed a written release at any time during the season with respect to the player;
- (ii) The team on which the player was rostered has been disbanded, and the Association cannot offer the player a comparable team on which to play (a non-tournament bound team is not a comparable team if the player was originally rostered on a tournament bound team); or
- (iii) The player has relocated to another region such that it would be impracticable, or unreasonable, to require the player to continue to play with the current Association;

For any reason other than (i) above, extenuating circumstances must include the player having satisfied all reasonable financial obligations to the Association. A release sought under extenuating circumstances ordinarily should not be granted after February 1 if the player was rostered on a tournament bound team during the current season.

ANY PLAYER TRYING OUT IN AN AGE CLASSIFICATION THAT DOES NOT LEAD TO A NATIONAL CHAMPIONSHIP (AS OF THIS WRITING IS MITE (8U) AND SQUIRT (10U)) CAN OBTAIN A RELEASE FOR THE PURPOSE OF TRYING OUT AT ANOTHER ORGANIZATION, BUT WILL REMAIN COMMITTED TO HIS/HER PRESENT ORGANIZATION UNTIL THE CONCLUSION OF ALL YOUTH/GIRLS NATIONAL TOURNAMENTS.

It shall be evidence of recruitment, if after a player and Association have executed the commitment, the player is contacted by another Association officer, coach, or component person. Any written and signed complaint regarding recruitment and/or movement shall be directed to the respective Section President, who will investigate and make a full report to the NYSAHA Board of Directors, who will take actions as deemed necessary.

- B. The following rules are applicable to all High School Club teams, regardless of tournament-bound status:
 - 1. Junior Varsity and Varsity teams must register with USA Hockey as High School Club Teams. The definition of a schools organization includes both Junior Varsity and Varsity teams of the school or school district.

2. All players must be enrolled in a high school for the entire season, be in grades 9 – 12, and be eligible for 4 years from the time they enter the 9th grade. Rostered players may not be 19 years of age prior to September 1st of the current playing season. Players must tryout for the school they attend if it has a team, and cannot be rostered on more than one Varsity team during the season, whether tournament-bound or non-tournament-bound. The High School League, where applicable, shall determine the method used to roster out-of-district players.

3. Players who play on Private, Preparatory, Parochial and NYS Public School teams not designated "Club," ~~are ineligible to participate~~ **CAN PLAY UP TO A MAXIMUM OF FOUR GAMES ON PRIVATE, PREPARATORY, PAROCHIAL, AND NYS PUBLIC TEAMS NOT DESIGNATED" CLUB" AND STILL BE ELIGIBLE TO PLAY ON HIGH SCHOOL CLUB TEAMS.**

4. All member teams of a High School League must register through their League's registrar.

C. Participant Members Registration Fees

All Participant Members shall pay the appropriate USA Hockey Registration fee as determined by USA Hockey in addition to the Annual NYSAHA fee of \$3.00. (There is no fee for the 6 and under age classification.) Both USA Hockey and NYSAHA fees can be paid with the Participant Application forms submitted to the District Registrar/Associate Registrar or by registering online with USA Hockey. For tournament-bound teams to be eligible to participate in State Tournaments, all Participant Members of the Association must be registered. A tournament-bound team is any team, which through league play-off, Sectional, or independent play will be seeking a berth in any State and USA Hockey National Tournament.

3. TEAM/PARTICIPANT MEMBER REGISTRATION

~~A. An equal number of player roster forms will be sent along with Applications.~~

~~B. A. Tournament-bound team Player Roster forms must be filled out in full and returned to the Associate Registrar.~~

~~C. B. In order to compete in all NYSAHA sponsored tournaments, player roster forms must be submitted to the Associate Registrar. For tournament-bound (both natural and artificial ice) teams, the forms must be completed and RECEIVED by the Registrar NO LATER THAN DECEMBER 31 of each year, except for Adult Teams, which have until February 10 of each year.~~

B. TOM KORPOLINSKI AWARD

Tom Korpilinski started his hockey career as countless others did. In 1966 his six (6) year old son said “I want to play hockey”, so he took him to a clinic in Virgil, Ontario where the Niagara Falls league was renting ice. There was only one coach on the ice for 50 to 60 little guys, some who could barely stand on skates. Although never having played organized hockey, Tom skated most of his life and did play a little pond hockey, so he asked this coach if he wanted some help. The next week he started with the youngsters and never looked back. Tom instantly became a coach, going through programs with the Ontario Minor Hockey Association and with USA hockey. He also did some refereeing and ultimately became a Director of the local association. When the city of Niagara Falls opened a rink in 1971, Tom became President of the local league and also helped form a travel league in the Western New York area along with Peter Rush and many others.

Later, he was elected as the West Section Vice President and then New York State Tournament Director. In 1981 he accepted the position of New York State District Registrar, a position held until he retired from hockey in 2000.

Tom Korpilinski’s hockey career spanned 33 years, a time he has always claimed to be the best years of his life where he was able meet countless volunteers, coaches, administrators, parents and players along the way.

In 2000, the New York State Amateur Hockey Association initiated the Tom Korpilinski Award recognizing an individual who has served at the “grass roots” level within the District and exudes the qualities and level of commitment to the sport that Tom so humbly possessed.

C. BOB ALLEN SCHOLARSHIP

Each year at the Annual Meeting of the New York State Amateur Hockey Association, the Bob Allen Scholarship is awarded to four High School or Prep School Seniors going on to college. The scholarships are awarded based on the individuals' participation at school, with their community, and involvement in youth sports. Each Scholarship is for \$1000 and is given directly to the winners upon verification of enrollment at college.

In the year 2000, the New York State Amateur Hockey Association named their scholarship in honor of Bob Allen. Bob was president of the New York State Amateur Hockey Association for 25 years from 1954 to 1979. He was past secretary and vice president of USA Hockey (then AHAUS) and was bestowed with Director Emeritus status by both of these organizations. He was a charter member of the Lake Placid sports council and the Lake Placid Pee-Wee Hockey Association. Bob had a great passion for the sport of Ice Hockey and always "enjoyed the people in hockey as much as he enjoyed the game of hockey".

In 2004, the U.S. Women's National Team locker room was named in honor of Bob, paying tribute to the man who spent most of his life working for hockey at the regional and national level. The locker room is located between the 1980 and U.S. rinks, and is reserved for use by the U.S. Women's National Team, which trains in Lake Placid.

In 2005, Bob was recognized for his 40 years of service to USA Hockey. Also in 2005, USA Hockey named the Women's Hockey Player of the Year award the "Bob Allen Women's Hockey Player of the Year Award". He was chairman of the gold medal winning U.S. Women's Olympic Ice Hockey Team in 1998, and is considered the "Godfather of US Women's Ice Hockey". Bob was also member of the Lake Placid Olympic Organizing Committee, chairman of Ice Hockey and planning and engineering committees for the 1980 Olympics.

D. PAUL FURMAN STATE TROPHY

Paul Furman's hockey career began approximately 40 years ago; on the day he took his son, Paul Jr., up to the Cullinan ice rink to register him in the Oswego Minor Hockey Association. He was asked "can you skate?" and he answered "yes, a little". He was then asked if he would help out on the ice. Paul told them "yes, but I don't know anything about hockey". He was then told, "don't worry, the kids will teach you" and over the years they did!

Since that day, Paul Furman, the husband, father and grandfather has been a dedicated, hard working member of the hockey community in New York. Over that time Paul gave unselfishly of his time and energies to not only the hockey community of Oswego, New York, but to the entire Hockey Community of New York State. From his early days as a coach, then through numerous administrative duties at the local and State levels he always stayed close to not only his local organization but to the hockey community as a whole. Paul has gone from the father who knew little about hockey to become one of the most highly respected members of the New York Hockey family.

For over 23 years Paul was responsible for the organization and supervision of thousands of tournaments in the New York District that take teams from local qualifying tournaments to States (USA Hockey Regional) and on to the National Tournaments. A full time year round commitment, at Tournament time you would find Paul on the phone or at the rinks checking to ensure that the events are run properly and that each and every individual has a fun enjoyable experience.

NYSAHA is privileged to honor Paul Furman with the State Championship Trophy to be awarded to the winner at each level.

C. **Requirements Applicable To Girls/Women Teams And Players**

For the purposes of competing at State **and National** tournaments, Girl's youth teams, and players (12 and Under, 14 and Under, 16 and Under, and 19 and Under) will use the following guidelines together with the provisions of 9. A above.

1. Classification

a) Girls teams must declare their intention **and receive section approval** to compete at the Tier 1 or Tier 2 tournament bound level in writing to the Section President, or their designee, at a regularly sanctioned Section Meeting. **Only one team at an age classification can be tournament bound regardless of their Tier Status.**

- b) Tournament bound teams registered in the previous season that do not make a written request prior to the meeting will retain the same tournament bound status.
- c) Teams not registered in the previous season that form after the meeting may register as tournament bound at the Tier 2 level only, unless they are a part of a progression within an existing Association that offered girls teams the previous season.
- d) New teams (not registered the previous season) forming after the meeting are still required to notify the Section President of their intent to go tournament bound.
- e) Tournament bound teams registered in the previous season that wish to change from Tier 2 to Tier 1 must get Section Approval at the Fall Meeting.
- f) The NYSAHA Board of Directors reserves the right to deny **respective** Tier status to teams that will adversely affect the development of Girls hockey across the state.

2. National Tournaments

Girl’s team classifications will be independent of their Association’s current Tier status within NYSAHA. Associations may have teams at both Tier 1 and Tier 2. However, if multiple teams exist at any one age classification **at the Tier 1 and Tier 2 levels**, only one of those **age classification** teams either Tier 1 or Tier 2 may **be declared** tournament-bound **for that association** regardless of Tier.

3. **Classification Independent of Youth Classification**

Only **one team either Tier 1 or Tier 2 at the particular age classification per Association** will be eligible for the National tournament. However, regardless of classification, teams have until December 31 to withdraw from consideration for States or Nationals by notifying in writing the NYSAHA Girls/Women Coordinator, Section President, and NYSAHA Tournament Director.

20. Tie Breaking Rules to Determine Standings Position For All Youth, Girls/Women, and High School Club Pre-Sectional, Sectional and State Tournaments.

If two or more teams have an equal number of points, their position in the standings shall be determined by the following tie-breaking format. If one tie-breaker establishes a position for one or more of the teams, each team is placed in the applicable position. Once a team is placed, the remaining teams shall start the tie-breaking process over again starting at step 1. a. If all teams tied have not played head to head against each other then go to B.

The tie-breaker formulas are follows:

- A. *The results of the games played head to head between the teams tied* in the following order.
1. Standings-Most points.
 2. Most wins.
 3. Differential-Subtracting goals scored against from goals scored in these games, the positions being determined in the order of the greatest surplus. For Girls/Women's games only, the maximum goal differential is 8 goals.
 4. Quotient-Dividing the goals scored in these games by the goals scored against, the position being determined in the order of the greatest quotient. A quotient involving dividing by zero (0) has a higher standing than a quotient from dividing by any other number other than zero. Where two or more teams have no goals against and the quotient tie-breaker is required, the team shall be ranked high to low in descending order of "goals for".
 5. Most periods won- In games played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Position shall be in the order of highest point total.
 6. Quickest first goal-The team that scored the quickest goal in their applicable preliminary round games shall be ranked highest.
- B. If after applying the formulas of A 1, 2, 3, 4, 5, or 6 the tie still exists, the results of all the games played by the teams tied in the following order:
- a. Most wins.
 - b. Differential-Subtracting goals scored against from goals scored in these games, the positions being determined in the order of the greatest surplus.
 - c. Quotient-Dividing the goals scored in these games by the goals scored against, the position being determined in the order of the greatest quotient. A quotient involving dividing by zero (0) has a higher standing than a quotient from dividing by any other number other than zero. Where two or more teams have no goals against and the quotient tie-breaker is required, the team shall be ranked high to low in descending order of "goals for".
 - d. Most periods won- In games played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Position shall be in the order of highest point total.
 - e. Quickest first goal-The team that scored the quickest goal in their applicable preliminary round games shall be ranked highest.

Note: The shootout procedures will be used to break a tie after #1 and #2 have been exhausted and a tie still exists to determine who will advance to the Semi-Final games or to the Championship game. No overtime periods shall be played

in the regular Round Robin games. Overtime will only be played, if needed, in the Semi-Final and/or Championship games.

C. **Semi-Final:** If a game is tied following regulation play in the Semi-Final games, one 5 minute sudden death overtime period shall be played. At the completion of the third period, the tied teams shall receive a three (3) minutes rest period. The teams will remain on the ice. The teams will not change ends. If the score is tied at the end of the 5 minute sudden death overtime period, there shall be a shoot-out. The winner of the shoot out will be credited with one additional goal in the final score.

D. **Shoot-Out:** When the overtime period is over and no one has scored a goal, the shoot-out procedure shall take place and shall be conducted as follows:

A shoot out is defined as a player attempting to score a goal and the opposing goalkeeper attempting to stop the shooter from scoring a goal. The referee shall call the two captains to the referee's crease to flip a coin to determine which team takes the first shot. The winner of the coin toss will have the choice whether his/her team will shoot first or second. (The Captain of the team who traveled to farthest to the tournament site will call the coin toss).

All goalkeepers and players from both teams listed on the official game sheet shall be eligible to participate in the shoot-out.

However, any player whose penalty had not been completed when the overtime period ended or who receives a penalty during the shoot-out procedures is not eligible to be one of the players selected to participate in any portion of the shoot out procedure(s).

The shoot-out procedure shall begin with five different individual shooters from each team taking alternate shots. The players do not need to be named beforehand.

The goalkeepers from each team may be changed after each shot.

The players of both teams will take the shots alternately until a decisive goal is scored. The remaining shots will not be taken.

If after the shoot-out, the shoot-out score is still tied, there will be a sudden death shoot-out.

Sudden Death Shoot-Out:

The sudden death shoot-out will be conducted as follows:

A sudden death shoot-out is defined as each team attempting a shot. Should one team be successful and the other team not, the successful team shall win the shoot-out.

Teams will select their shooters to participate in sudden death shoot-out, whether or not they shot in the previous round.

All goalkeepers and players from both teams listed on the official game sheet shall be eligible to participate in the shoot-out.

However, any player whose penalty had not been completed when the overtime period ended or who receives a penalty during the shoot-out procedures is not eligible to be one of the players selected to participate in any portion of the shoot out procedure(s).

Players in a sudden death shoot-out shall not be allowed to take another shot until four additional shooters have completed their attempts.

The goalkeepers from each team may be changed after each shot.

The official scorekeeper shall record all shots taken indicating the players, goalkeepers and goals scored.

E. Championship game: If a game is tied following regulation play in the Championship game, sudden death overtime period(s) shall be played until a Champion has been determined. At the completion of the third period, the tied teams shall receive a three (3) minute rest period. The teams will remain on the ice and will not change ends. The time of the overtime period will coincide with the chart set out in Section 11B, paragraph 11 of this Guide. Squirt – 6 minutes, Pee Wee, Bantam, Midget and High School Club – 10 minutes. The ice will be resurfaced after every 2 overtime periods.

Team (A) has plus 9 goals and minus 7 goals to equal plus 2 goals for Team (A).
 Team (B) has plus 7 goals and minus 8 goals to equal minus 1 goal for Team (B).

Team (C) has plus 4 goals and minus 5 goals to equal minus 1 goal for Team (C).

Team (A) with the plus two (2) goals is in first place after this step and is the winner of the Division. Because Teams (B) and (C) both have a minus one (1) goal differential you have to go back to Step 1 and start the process all over again but only between Team (B) and team (C) and only using the game played between teams (B) and (C).

In this example **team (B) would be placed second** because they earned two (2) Points in their Head to Head game against Team (C). Team (C) would finish third and Team (D) would finish fourth.

Note: The scores of the games played against Team D **would not come** into the equations until you have exhausted all of the items in Step 1. If still tied after that you would go to step 2. and start the process over again using all of the game the teams played in the Round Robin.

Example #2:

Two teams, (A) and (D), are tied with four points each after the Round Robin games.

To break the tie you only use the one game the teams played **Head to Head** to break the tie.

In this example, the game the teams played Head to Head ended in a one to one tie.

Step 1.

- a. Most Points-They both earned one point in the game because it ended in a tie.
- b. Most wins -Zero for each team.
- c. Differential-They both scored one goal so the neither team had a surplus or a

minus.

d. *Quotient-Dividing goals scored into goals against. They both come out at zero (0).*

e. *Most periods won-They earned three (3) points each because they both scored their only goal in the third period so they earned one point for each of the three periods.*

f. *Quickest first goal in the game. Team (A) scored at 10:10 of the third period. Team (D) scored at 5:15 of the third period. Therefore Team (A) is the winner of the tiebreaker because they scored first. (In this example the actual time on the clock was used, like it is supposed to be, under the new system of recording the time of goals for all tournament games).*

Note: Had their game ended up in a zero (0) to zero (0) tie, using the same scenario as above and after going through all of the steps in Step 1., then they would have started the process all over again only this time they would use all of the games both teams played.

21. Home Team For Championship Game

The on-site Tournament Chairperson shall flip a coin to determine the home team for the championship game. The coach from the team that has traveled the farthest distance to the tournament site shall call the flip. The winner of the flip is the home team.

22. Daylight Savings Time:

On the Sunday that Daylight Savings time starts all games, both in the morning and in the afternoon/evening, shall automatically be scheduled to start ONE HOUR LATER than the times listed in the Guide Book.

23. Combination Schedule for Midget Tier I 16 & Under and 18 & Under State tournaments.

In order to schedule and play a full eight teams schedule at the Tier I Midget 16U and/or 18U classification at least two of the four Sections in the State must have at least four teams registered and another Section of the State must have at least one team registered in that classification.

Otherwise the two Classification will be combined into one eight teams, with two separate Divisions, schedule and made up of four teams at the 16U level and four teams at the 18U level.

If the Host Association qualifies a team to play in either of the tournament Divisions it will not get a "Host Team" seed in the other tournament Division. The Host Association will only receive a "Host Team" seed, in one of the tournaments Divisions, if both of the Host's teams fail to qualify for either tournament. When that happens the Host Association shall chose what team it will be and it shall be seeded as team "A" in the tournament Division it chose to play in.

EXAMPLE FOR GIRLS & WOMEN ONLY

<u>Team A2</u>	<u>Team B1</u>	<u>Team A + 2 points</u>	<u>Team C2</u>	<u>Team A5</u>	<u>Team C + 0 points</u>
Team A5	Team C2	Team A + 2 points	Team C4	Team B2	Team C + 2 points
Team A3	Team D7	Team A + 0 points	Team C5	Team D3	Team C + 2 points
		Team A + 4 points			Team C + 4 points

Team B1	Team A2	Team B + 0 points	Team D7	Team A3	Team D + 2 points
Team B2	Team C4	Team B + 0 points	Team D3	Team B2	Team D + 2 points
Team B2	Team D3	Team B + 0 points	Team D3	Team C5	Team D + 0 points
		Team B + 0 points			Team D + 4 points

These teams are tied with four points each after the round robin. They are A, C, + D.
 Note: Use only the games played head to head by the teams tied for 1.a, 1.b & 1.c.

1.a	A vs C	A + 2 points	C vs A	C + 0 points	D vs A	D + 2 points
	A vs D	A + 0 points	C vs D	C + 2 points	D vs C	D + 0 points
		A + 2 points		C + 2 points		D + 2 points

1.b	A5	C2	C2	A5	D7	A3
	A3	D7	C5	D3	D3	C5
	8 for 9 against - 1		7 for 8 against - 1		10 for 8 against + 2	

Teams A & C are still tied at minus 1 goal each, therefore ALL three teams continue to 1.c.

1.c	Team A divide goals scored for (8) by goals scored against (9). 8 / 9
	Team C divide goals scored for (7) by goals scored against (8). 7 / 8
	Team D divide goals scored for (10) by goals scored against (8). 10 / 8

The tie has been broken simultaneously for all three teams tied and the order of finish is:
 1st Place – Team D 1.250 quotient
 2nd Place – Team A .888 quotient
 3rd Place – Team C .875 quotient

**NEW YORK STATE
AMATEUR HOCKEY ASSOCIATION INC.
NEW YORK STATE POLICIES**

SEXUAL ABUSE POLICY

In accordance with USA Hockey policy, it is the policy of NYSAHA that there shall be no sexual abuse of any minor participant involved in any of its sanctioned programs, its training camps, hockey clinics, referee clinics, Regional and National Tournaments or other USA Hockey events by an employee, volunteer or independent contractor. Sexual abuse of a minor participant occurs when an employee, volunteer or independent contractor touches a minor participant for the purpose of causing the sexual arousal or gratification of either the minor participant or the employee, volunteer or independent contractor. Sexual abuse of a minor participant also occurs when a minor player touches an employee, volunteer or independent contractor for the sexual arousal or sexual gratification of either the minor participant or the employee, volunteer or Independent contractor, if the touching occurs at the request or with the consent of the employee, volunteer or independent contractor.

Neither consent of the player to the sexual contact, mistake as to the participant's age, nor the fact that the sexual contact did not take place at a hockey function are defenses to a complaint of sexual abuse. Upon proof of violation of this policy, the violator will be permanently banned or suspended from New York State Amateur Hockey, Inc., its sanctioned programs and/or the programs of its affiliate associations.

SCREENING POLICY

It is the policy of New York State Amateur Hockey that it will not authorize or sanction in its programs that it directly controls, any volunteer or employee who has routine access to children (anyone under the age of majority) who refuses to consent to be screened by New York State Amateur Hockey (NYSAHA) before he/she is allowed to have routine access to children in NYSAHA programs. Further, it is the policy of NYSAHA that it will require its affiliates to adopt this policy as a condition of its affiliation with NYSAHA.

A person may be disqualified and prohibited from serving as an employee or volunteer of NYSAHA if the person has:

- 1. Been convicted (including crimes of the record of which has been expunged and pleas of "no contest") of a crime of child abuse, sexual abuse of a minor, physical abuse, causing a child's death, neglect of a child, murder, manslaughter, felony assault, any assault against a minor, kidnapping, arson, criminal sexual conduct, prostitution related crimes or controlled substance crimes;*
- 2. Being adjudged liable for civil penalties or damages involving sexual or physical abuse of children;*
- 3. Being subject to any court order involving any sexual abuse or physical abuse of a minor; including but not limited to domestic order of protection;*
- 4. Had their parental rights terminated;*
- 5. A history with another organization (volunteer, employment, etc.) of complaints of sexual or physical abuse of minors;*
- 6. Resigned, been terminated or been asked to resign from a position, whether paid or unpaid, due to complaint(s) of sexual or physical abuse of minors; or*

7. Has a history of other behavior that indicates they may be a danger to children in NYSAHA.

PHYSICAL ABUSE POLICY

It is the policy of New York State Amateur Hockey Association (NYSAHA) that there shall be no physical abuse of any participant involved in any of its sanctioned programs, its training camps, hockey clinics, coaches clinics, referee clinics, Regional and National Tournaments or other NYSAHA events by an employee, volunteer or independent contractor. Physical abuse means physical contact with a participant that intentionally causes the participant to sustain bodily harm or personal injury. Physical abuse also includes physical contact with a participant that intentionally creates a threat of immediate bodily harm or personal injury.

Physical abuse does not include physical contact that is reasonably designed to coach, teach or demonstrate a hockey skill. Permitted physical conduct may include, but is not necessarily limited to, shooting pucks at a goaltender, demonstrating checking and other hockey skills, and communicating with or directing participants, during the course of a game or practice, by touching them in a non-threatening, non-sexual manner.

NO HAZING POLICY

It is the policy of USA Hockey and New York State Amateur Hockey Association, Inc. that there shall be no hazing of any participant involved in any sanctioned program, training camp, hockey clinic, coaching clinic, referee clinic, regional and national tournament or associated events conducted by their employees, volunteers, participants or independent contractors.

Hazing is defined as conduct that is insulting, intimidating, humiliating, offensive, or physically harmful, and includes the activity known as “locker boxing” or “helmet and gloves” that is popular with children and young adults and often produces head trauma and serious injury.

Any player, team official, executive member of a team, club or association having been party to or having had knowledge of hazing, without reporting it to the respective Section President or taking clear affirmative action to assure that it is not repeated, shall be subject to suspension from playing or holding office with any team, club or association affiliated with USA Hockey and New York State Amateur Hockey Association, Inc.

CONSUMPTION/USE/ABUSE OF MOOD ALTERING SUBSTANCES POLICY

It is the considered judgment of the Board of Directors of NYSAHA that consumption/use/abuse of mood altering substances is detrimental to a healthy state of mind, body, and spirit in an athletic participant. This is especially true for those participants aspiring to develop their talents in the furtherance of their playing, or coaching, or officiating careers in the sport of ice hockey. Therefore, with the best interests of its participants in mind, NYSAHA prohibit use by any participant of mood altering substances during active participation in its programs, and, upon discovery of any violation, shall take action to remove the participant from participation in its programs for a reasonable period of time. Further, NYSAHA hereby recommend that each and all of its teams, associations, programs and affiliates adopt reasonable regulations concerning the prohibition of consumption/use/abuse of mood altering

substances, and a reasonable enforcement procedure thereafter, in order to maintain the health of our athlete participants, the integrity of our programs, and the eligibility of all of our competitors for national, international, and collegiate competition. For purposes of this policy, the words “mood altering substances” shall include the following:

1. Intoxicating beverages, including, but not limited to, alcohol.
2. Non-prescription or prescribed controlled substances.
3. Prescription or prescribed controlled substances when used to an excess in violation of doctors orders, or to produce the state of intoxication in the participant. Further, a participant shall include players, coaches, referees, and all persons involved in the conduct of an ice or inline hockey contest.

Locker Room Supervision Policy

Adopted June 2010 USAH Annual Congress

USA Hockey is concerned with locker room activities between minor players; minor players and adult players; adults being alone with individual minor players in locker rooms; and with nonofficial or non-related adults having unsupervised access to minor participants at sanctioned team events.

It is the policy of USA Hockey and USA Hockey In-Line that all Affiliates, Districts, leagues, and local hockey programs have at least one responsible adult present directly monitoring the locker room during all team events to assure that only participants, (coaches and players), approved team personnel and family members are permitted in the locker room and to supervise the conduct in the locker room.

Any individual meetings with a minor participant and a coach in a locker room shall require a responsible adult be with the coach. Further, responsible adults must personally monitor the locker room environment at all times while participants are present and also make sure the locker room is appropriately secured during times when minor participants are on the ice.

Teams, leagues and local hockey associations shall also comply with the USA Hockey Coed locker room policy set out.
