

## COACH/LEAGUE EVALUATION

Dear Parent,

Please take this opportunity to provide NVHSC with feedback regarding our current hockey coaches. This evaluation will help evaluate the coaching staff and our league by providing both positive feedback and constructive criticism. Your input is extremely important to our program with our board reviewing each and every one of the evaluations. We encourage you to use the back of the page for any additional comments on your coach or the program that you would like to share with us. Please mail or drop off evaluation at scorekeeper. Always remember these coaches and league board members are all unpaid volunteers.
