

Dear Reading Hockey Families,

As some of you may know, we suddenly and tragically lost one of our own, Reading Rocket Paul E. Zurek (#12) on Sunday October 2, 2016 due to a heart attack after running a marathon. Paul left behind a loving family, his high school sweetheart Janessa, and 2 small children Nathan and Cameron.

Paul, a 1998 Reading High graduate grew up playing in the Reading Youth Hockey program. Paul was part of the Reading Rockets Hockey team during the 1996, 1997, and 1998 teams. During this time, he made part of Rockets Hockey history by being on teams that went on to be consecutive Middlesex League Champions. He was also part of the Middlesex League undefeated team (18-0) in 1996-1997 and participated in 3 Super 8 tournaments.

We need your support and are asking for the Reading Hockey community to come together in support of Paul and his family. Please join us Saturday January 28th as the Rockets take on the Stoneham Spartans @ 6PM at Burbank Ice Arena. The Friends of Reading Hockey have graciously donated their half of the 50/50 raffle winnings to Pauls' family. In addition to the 50/50, there will be auction items for bidding with all the money going to Pauls' family. Some of the auction items are;
