Action Items:

- Bruce C. to post summary (wins/losses per team) of season
- Brian will send out an email asking BYBA parents/association for help filling Girls Scheduling Director role

Notes:

1. Season Summary

- 4th Grade noticeably behind
- Will be interested to see next year when first Bidy League group shows up in 4th grade
- Everyone agreed to change to new leagues was a good idea and we should stay where we are (do not go back to metro-west)
- Minus a couple of outliers, as a whole, Burlington went about 50-50 for the year
- If canceling practices coaches MUST inform Scheduling Director so that we can cancel gym time

2. Accomplishments

- Preferred Gym Time: BHS, Recreation Dept., Burlington Youth Sports
- Fox Hill backboards installed and operational
- Fundraiser was successful, raised ~\$9000 (e.g. of use, covered the Fox Hill backboards)
 - Tom has handed out most of the prizes, few left
- Biddy League
 - Successful year. Lots of happy players and parents
 - Looking to expand next year by working closer with the Rec Dept.
 - Expectation is that New Youth Director will continue this
- Successful interactions with H.S. Boys coach, looking to expand next year, possible more clinics

3. General Discussion

- Need to consider expanding In Town Program
 - possibly continue to expand to 4th grade next year, then 5th grade the next year, 6th grade the next year and so on
 - Need to consider working with Rec program if they are willing to change their current offerings
- Need to reconsider current Technical Foul Policy
- Consider more online “windows” for kids to purchase BYBA Basketball gear
- Consider adding a uniform/gear “rack” night making sizes and attire available to try on
- Recommended that Scheduling Director does not attempt to rework practice for every Holiday or snow storm; set practice schedule and stick with it
- BOOM program is done; Bruce C. talked with AD Heart to expand middle school program; he is agreeable to this but most likely won't get anything in place by next year
- Suggestion was made to find another transition option for 8th graders to better prepare for high school; it was also noted the the current travel program is plenty good enough
- Scholarships
 - voted on the following 4 names pending successful application through the high school program:
 - Boys: Ryan Morey, Will Melanson
 - Girls: Riley Barrucci, Ali Roseburg
- 15th Director
 - It was agreed to add a 15th Director, as allowed by the Association By-laws, no title was named and role was defined as: “Help Out Where Needed”
