

Lockport Little League was born you could say in 1957. The 2017 season will be the 61st season serving the youth of Lockport and the surrounding communities. LLL started out with just fields A & B on land donated by Mr. Ray Lee. Field C came along a short time later thanks to NYSEG. Eventually the remaining fields came to life with the blessing of Allie Brandt Bowling Lanes.

There has been a long distinguished list of volunteers who have donated their time for the betterment of the Lockport Little League. Both former and present political leaders of Lockport once starred on these fields including Tate Pitrello who was a charter member in 1957. Mike Tucker the former Lockport Mayor played in the 60's and early 70's. Just think how many kids that were coached by Bob Stoll and Craig Connell at LLL for what seemed like generations. Some other prominent Lockport residents who shined at LLL included Phil Rosenberg who is widely considered one of the best players to ever come out of Lockport.

John Greco member of the 2008 Western New York Baseball Hall of Fame played college ball at St. Bonaventure and has had four sons play ball at LLL. Back in the 60's Tom Scrace and Sam Turco waged some terrific battles hitting the long ball.

Currently Steve Geltz is a relief pitcher with the Tampa Rays and Rohn Pierce is working his way up in the Seattle Mariners organization.

Past presidents include long time president Bill Villella, Allan VandeMark, John Dwyer Jr & Sr, Phil Belfield, Jim Slowey, Joe Kazmierczak, Tom Voss, Rick Chenez and Sharon Walters. Former District One Administrator Ron Antholzner continues to volunteer at LLL.
