

STAHA members,

I am honored to be continuing to serve you on the board of our hockey organization. The last 3 years as secretary of STAHA has been a great way for me to get to know all of you and your kids.

It is important to me to continue to keep STAHA moving forward. As Vice President of Recreation, I believe I can continue to work towards allowing all of our players challenged. As we grow, we bring more opportunities and a better chance of our kids playing and practicing at the highest level possible. We have made progress and we have more work to do.

My goal is to bring this awesome sport of hockey to every kid who loves to play it. I will work on introducing new and exciting ways to keep it fun for everyone!

Thank for your continued support in me.
