

Director of Travel Hockey
Allison Monroe

Hello Grizzly Families! I am Allison Monroe and I would like to be considered for STAHA VP of Travel. I have been a part of STAHA for 6 years as parent, manager, secretary, and VP of Travel. It takes a village to create a great hockey experience for our kids and I have enjoyed being a part of that village. I want this particular position because I want to see STAHA continue to thrive and I believe I have the skills to make this happen. I feel I have strong relationships with the STAHA parents and board members which is essential for this job. I have experience with other local youth sports boards. I also have good organizational skills and I can make a cool online sign up sheet for anything!

My goals this year are to improve uniform ordering, to grow and unite the hockey communities in Tahoe and to improve communication when there are problems within STAHA.

Thank you for your consideration,
Allison Monroe
