

### ***Grizzlies Payment Schedule for the Mites Program***

Hockey tuition is based on a board-approved budget for each season. Tuition is dependent upon several variables, including the frequency and duration of practices, and the cost to rent the ice from Tahoe Sports and Entertainment (TSE/The Ice Arena/Rink) for team practices and games. It is the intention of the STAHA to keep tuition as affordable as possible.

Maintaining your financial commitment is one of the elements constituting membership in STAHA's program. Please be advised that:

- ***Families will set up an automated payment method and schedule*** through STAHA's website. (Schedule options to be provided by STAHA prior to the start of the season.)
- Payment of the season's \$850 tuition may be made in full or spread over three months.
- If payment is being spread over three months, an initial payment of \$250 is due ***on or before October 1st***. The remaining tuition balance will be deducted in two installments on the 15th of November and December. Tuition must be paid in full by the December 15th, unless an approved and signed payment plan is in place with the STAHA Treasurer.
- Also due before your skater the first practice are: the skater's active USAH Registration number, the signed Player Commitment Form, the Player/Parent Code of Conduct, and all travel, safety, and locker room documents. These forms are located on our Grizzlies website [www.tahoegrizzlies.com](http://www.tahoegrizzlies.com), under the STAHA Documents tab, within the Parent/Player Documents folder. Please communicate with your team manager for any assistance in locating these forms.
- Any family needing financial assistance should please refer to the STAHA website for information on Scholarship.
