

Braveheart Lacrosse Delran 2015 Summer Camp

A Positive Experience....

That is our goal. To give kids a great lacrosse experience. We do this by combining years of coaching and lacrosse experience with a fun and fast paced atmosphere. Players of all levels of experience will benefit from our camp. From the beginner to the experienced player, all will learn the correct fundamental skills and game tactics necessary to move on to the next level.

Learn from some of the best coaches in the State. Our staff is experienced and ready to develop and fine tune your skills. We keep our coach to player ratio at 1:10 or less. Our instruction is diversified to teach basic skills as well as higher level concepts during drills.

Delran Boys Lacrosse Camp

This is our 1st year running the Delran Camp. The camp will be held at Millbridge Fields in Delran. The day will begin at 9:00 and end at 1:00. All campers are required to bring lunch. We will have our skills and drills throughout the morning then put the lessons to test during games in the afternoon. We believe that sportsmanship, effort and coach-ability is important so our campers that demonstrate these traits usually walk away with a prize at the end of camp! We all believe that Effort + Fundamentals + Lacrosse IQ = Success on the field.
