

Tru-Care Physical Therapy 2018 Perseverance Scholarship

In honor of 20 years serving East Greenwich and the surrounding communities, Tru-Care Physical Therapy has donated \$350 to the Avengers Booster Club to award to a senior student who has been unable to participate in a sport or other extracurricular activity due to an injury for a portion of their high school career. The scholarship will be awarded to a student who has persevered through their injury in order to recover and return to the activities they love. The recipient will have demonstrated support of their teammates and the qualities of a model student throughout their injury and recovery process.

In order to be eligible for the scholarship, please submit this application, along with a copy of your resume, to Athletic Director, Chris Cobain by May 15, 2018. The scholarship winner will be chosen from a panel of five judges who do not have children attending EGHS, and the award will be announced at the Annual Avengers Senior Sports Awards Banquet on June 7, 2018.
