

Dress Code for Woburn Little League

In general, common sense must rule. Coaches and Managers represent the Woburn Little League program and we require consistency in appearance. By accepting the position of Manager or Coach, you accept the responsibility of being a good steward of our program.

As a guide, not acceptable are the following:

Short shorts

Cut off shorts

Bathing suits

Shirts that portray sexually suggestive or otherwise inappropriate messages (Big Dog, Johnson, etc.)

Shirts that advertise alcohol or tobacco products

Flip/flop style sandals

Men's tank tops

Halter tops

Slacks or shorts may be worn.

We recognize that some coaches would like to purchase Major League replica uniforms, jackets and accessories for themselves for use during games. This is allowed.

All players of all teams are required to be consistent with the uniforms provided by the League.

What you wear as a spectator is not governed. However, please remember that because you are a rostered volunteer you do represent Woburn Little League. Your actions and appearance set the example for the children you coach.
