

The Billerica Little League Buddy Application

Challenger Division Buddy Program

A key component of the Challenger Division is the Buddy Program. A Buddy is the person who assists the Challenger Player in most aspects of the game. This can include anything from teaching the player how to put on their glove, helping them learn to catch or to pushing a wheel chair around the bases. Last year there were over 90 Buddies in our Challenger program. These Buddies ranged in age from 8 to 18 years old. Each individual not only help someone learn about baseball but they also learned something about themselves as well. If you wish to participate as a Buddy in Challenger Baseball, please complete the application before April 10, 2014 and mail the form to:

I understand the Challenger Players are mentally and/or physically challenged and my role as a Baseball Buddy is to teach and encourage my player. I will assist where needed and cheer every player for all of their hard work and efforts. I will remain positive and encouraging during my role as a Baseball Buddy.
