

THE WOODLANDS JR. HIGH GIRLS LACROSSE ASSOCIATION

Spring Season Notes:

VOLUNTEERS:

We are looking for anyone interested in volunteering in the areas below. Please email jhgirlslox@gmail.com if you are interested. Spirit Wear/ Uniform Coordinator, Playday Co -Coordinator, Scheduler, Field Monitor (Home Games), and Field Lining

PARENTS:

Please remember only positive cheering on the sidelines. Please let our Coaches Coach and interact with the officials.

PLAYING TIME

IT IS THE PHILOSOPHY OF THIS BOARD AND COACHES THAT PLAYTIME IS EARNED THROUGH HARD WORK AT PRACTICE. To ensure we are prepared to compete it will be important for players to make it to practice. Players who do not come to practice will see reduced playing time during the games regardless of skill level. We understand there will be some schedule conflicts so please make sure to communicate in advance to the coaches if your daughter cannot make a practice so we can plan appropriately.

ALDEN BRIDGE SPORTSPLEX

PLEASE REITERATE TO YOUR PLAYER: 1.) that the fence is not meant to serve as a shooting wall, i.e. players intentionally throwing the ball from 5 yards away to see if the ball can get stuck. 2.) Players should not be climbing on the fence. These activities will compromise the fence. Therefore, it may not serve its originally intended purpose of protecting the spectators.

Playday

Thanks everyone for a great Playday! It is truly a club event and we could not have done it without the great support and volunteer efforts of our parents! You guys Rock!

If anyone is interested in Co Chairing Playday, please email jhgirlslox@gmail.com

Parents, please remember all of our coaches are Volunteers. They graciously use their free time, that they could be spending with their families, and spend it teaching our girls more about the game of Lacrosse. Please **reiterate to your daughter**, that disrespectfulness towards any of our coaches will not be tolerated. If the behavior continues, your daughter may find herself sitting on the sidelines at practice, thus affecting her game Playtime.

Referees & Sportsmanship

There is a referee shortage in our league, and the league is concerned about losing referees, especially the new referees. Therefore, **the league made it quite clear in no uncertain terms that yelling at these refs by either coaches, players, or fans will NOT be tolerated.** If we are caught/accused as a club of doing so or allowing so to be done, we run the risk of not having referees at any of our games going forward, thereby jeopardizing the season of not only the offending team, but the entire club!
