

## **UNIFORM INFO FOR TOWN TRAVEL SOCCER**

If you are a registered traveling soccer player, you may need to be sized for a uniform, which includes a numbered jersey, shorts and socks. The uniform brand is Protime and the jersey is Green, Black and White with a black #. The shorts are solid black. The socks are white with 3 green stripes at the top. If you already own this Protime uniform from prior years, you can continue to use it.

If you need a uniform, your child will need to go to *Team and League Outfitters* (formerly the Soccer Shoppe), located in the Eagle Building at 37 West Main Street in Georgetown. Your order will be placed the day of the fitting and you will receive an email at a later date when your uniform is ready for pickup. We ask that you pay on your Fitting Day. All forms of payment are accepted, with the exception of AMEX. The cost of a uniform is \$45.

**Order Dates: Please go to the Shop by Friday, August 24<sup>th</sup> to be fitted (one week earlier than that if you need uniform for Labor Day Tournament).**

Hours:

Wed, Thurs and Fri from 11am-5pm

Sat 8am-2pm

No appointment necessary

First games for Essex County are Sat 9/8. Some may need the uniform for Labor Day Tournaments that begin on Sat 9/1.

You do NOT need to know what team your child is on prior to going for a fitting, so please do not wait.

If you will be borrowing an existing jersey, please email Jen the age group and jersey # so that she knows not to issue that # to a new player. This will help us avoid # duplication problems.

Finally, the best way to reach Jen at the Shop during uniform season is via email, at [jenziadosz@yahoo.com](mailto:jenziadosz@yahoo.com). Regretfully, orders cannot be accepted via phone.

Thank You!
