Notes

- 1 - For Tee Ball and Coach Pitch: 1 innings at bat = each team batting 1/2 of the team per inning
- 2 - When 2 games are scheduled on the same field the same evening, first game begins at 5:00 pm. No new inning shall begin after 6:30 pm.
- 3 - Stealing home is allowed in all cases except for on a throw back to the pitcher.
- 4 - If the pitcher throws 4 balls, the batter's coach will pitch to the batter until the batter either puts the ball in play or strikes out.
- 5 - There is no run limit in the final inning. If a team is behind by 10 runs or more going into the final inning, that team shall bat first in the final inning. The other team will only bat if needed.
- 6 - 4 pitches are added to the pitcher's pitch count.

Substitution Rule (Majors and Juniors Only): CBSL teams will either follow LL rules and have all players complete a minimum of 1 at bat and 6 consecutive defensive outs OR bat the entire roster during the regular season and have every player complete at least 6 consecutive defensive outs prior to being removed. You must declare at the beginning of the game.
