

DANVERS YOUTH HOCKEY

Dear Sponsor,

On behalf of Danvers Youth Hockey, thank you for taking time to consider sponsoring our program. For over 30 years Danvers Youth Hockey has provided an enjoyable hockey experience for kids in Danvers. DYH develops hockey players and provides a fun and challenging sports environment. Your support is greatly appreciated.

We strive to make hockey available to every child who wants to play. DYH, a certified non-profit organization, offers the highest quality player development with the lowest tuition. This would not be possible without the help of outside contributions.

Hockey is an expensive youth sport with a long season (Sept. to April). Your generous contribution is used to purchase equipment, rent ice-time, offset tournament fees, league fees, and many other expenses so that we can provide the best value for our kids, from Learn-to-Skate (age 3+) right up until high school.

Sponsorship of DYH for \$300.00 will provide your business with the following:

- Advertising on the DYH website (www.danversyouthhockey.com)
- Mention of your sponsorship at all of our fundraising events
- A team photo to be displayed in your place of business
