League

The divisions of Derry Little League, hereafter called the League, shall be known as:

Minor AA 6-8 year old (6 Year olds must be evaluated)

Minor AAA 9-11 year

Major 10-12 year old

Senior League 13-16 year old

Managers and Coaches responsibilities (non inclusive):

Managers and Coaches must realize that managing and coaching their team is not the whole part of their job. Other involvement in the League is necessary and required. This will include Auxiliary, fundraising, committees, chaperoning and concession stand. **Attendance at the Managers meeting each year is mandatory.** In addition, attendance at the annual League meeting is highly recommended. The Board of Directors may remove any Manager or Coach not so participating without justifiable reasons. Active involvement is required to help maintain good communications and sharing of the workload.

If a team Manager loses any player(s) on the roster during the current season through illness, injury, change of address, or other justifiable reasons, another player shall be obtained through the player agent, to replace the lost one. The Manager must notify the player agent as soon as possible but no later than seven days from the first game missed. Replacements from the Minor League program during the last two weeks of the Minor League season are prohibited.

Managers shall ensure that the dugouts, stands, field, and surrounding area are picked up after each game by their teams. This includes trash not dropped by your team. Please bring a trash bag for this purpose.

Managers and coaches must wear their team hat or a Derry Little League hat at all games and practices as well as visible league approved identification.

Only players in uniform may play.

Uniforms & Equipment

The Derry Little League furnishes all Little League teams (within all divisions) with shirts, caps, socks and pants. All players must provide their own baseball footwear (no metal cleats), baseball gloves, athletic supporters and protective cups. Additionally, the Derry Little League provides all teams with baseballs, batting helmets, first aid kits, catcher's mitts and catcher's equipment. Please note that, due to safety concerns, under no circumstances will the Derry Little League allow the use of metal cleats.

When more than one game a day is scheduled on a field at different times the prior game must be completed before the new teams may enter the field or dugouts. The umpire of the previous game will indicate when the game has concluded.

Dugouts are assigned as follows: **Home team - first base side, Visitors - third base side.**

Games shall start promptly at posted times, cutting short warm-up times if necessary. **Visitors** will have the field for warm-up starting one half hour prior to game time for 15 minutes. **Home** team will have from 15 minutes prior to game time until game time.

Parking at the Derry Village School, Hood School and Pinkerton shall be in approved areas only.

The draft order for Majors and Senior League divisions will be the reverse order of the standings at the end of the prior season. The standings shall include any games played to determine the league champion. Draft options shall be submitted to the Player Agent prior to the draft.

The Charter Committee in Williamsport has granted Derry Little League a special waiver to the draft rules to **limit the number of high school players on each Senior League team**. All high school players will be placed into a pool to be divided evenly between all teams. **The high school draft will be conducted first**. If a manager has a son on a high school team, he/she must pick him first. When the pool of high school players is exhausted, the draft continues where it left off.

The league will use the league website to close facilities and notify players and coaches. In addition, the use of Social Media can be used to help notify people of cancellations. No games are to be played if the league calls off play. This does not limit the ability of umpires to cancel games at a later time if necessary.

If the game is not rescheduled then the Umpire in Chief and the division Vice-President will schedule a date for the make-up game. Players will be approved on a player by player basis.

Each Manager will cast a ballot for 5 separate players. The 5 players receiving the highest number of votes will automatically be placed on the tournament team. Up to 9 additional players shall be chosen by the approved tournament team manager. Protest Committee

A committee composed of the President, Player Agent, VP of Baseball Operations and the division VP shall hear and resolve any protests, including interpretation of playing rules.

Child Abuse Prevention Policy

Child abuse takes many forms, has many levels of severity, and requires different responses. League policies and programs to educate, prevent and when indicated, intervene, will assist in the management of the problem and install a greater sense of confidence in all children and adults. Unfortunately, there is no program or policy that can completely prevent this inappropriate and sometimes devastating offense, but all attempts are well worth the effort.

Child abuse is present in youth sports, including baseball and softball. It may take the form of abusive sexual, physical or verbal behavior, and may also be evident by the neglect of a child's needs. Sexual abuse has received the greatest publicity. Leagues have learned that among coaches and volunteers within a program there are sometimes individuals who exploit their unique opportunities for sexual advances. Organizations also recognize that children have been exposed to "neglect" by ignoring a child who needs to develop skills until he/she quits, "verbal abuse" by demeaning a child until he/she withdraws or suffers diminished self-esteem, and "physical abuse" by striking a child or hitting faster balls until a skill is mastered. Any form of child abuse is unacceptable.

The aforementioned examples of child abuse and the potential for inappropriate accusations makes preventive intervention to protect players and volunteers essential.

1. All Board Members, managers, coaches and umpires with access to players are subject to a criminal background check at the time of application. This background check is to be carried out as soon as possible. It is Little League Baseball, Incorporated policy that no person who is a known child-sex offender should be given any access to children in the Little League program.
2. An individual and alternate with optimally professional back ground should be chosen by the league from the community to receive and act on abuse allegations in a confidential manner and to follow the established due process procedure (contained in the bylaws).
3. A liaison should be established with the law enforcement community to assist in the implementation of preventative measures and in response to allegations of illegal behavior. The law enforcement community should also pursue its surveillance and investigation procedures in a discrete and confidential manner until guilt is established.
4. Each year following the background check all returning volunteers will file an application for league involvement, which should ask for, at a minimum, any convictions of crimes against a person. The president should confidentially review the applications.
5. A preseason meeting should be held annually for managers and coaches to define and explain the multiple facets of child abuse and the mechanisms to prevent and detect these occurrences. Additionally during the April meeting of the Board of Directors a similar discussion should be held to inform the general public and parents of our policy.

League division playoffs

The Board may elect to use any one of the playoff formats below. The decision will largely be determined by the number of teams in the division.

Playoff Format 1

becomes a factor, playoffs can be switched to single elimination at the Board of Directors discretion. If such change does occur, any teams with a single loss at that time will be eliminated from the playoffs.
