

MTBSA's Travel Baseball Eligibility Policy

Any baseball player who meets the age and residency requirements under Cal Ripken / Babe Ruth league rules is eligible for an MTBSA travel baseball team. This is without regard to whether the player participated in MTBSA baseball during the prior season. The Vice President -- Baseball may establish the rules for required participation in rec baseball league events to maintain travel team eligibility. A player must complete registration requirements for the next spring rec baseball season prior to accepting a position on a travel team.
