(Baseball | Softball)

ATTN: COACHES AND PARENTS

Rijo Athletics would like to invite your team or individuals in for a FREE one-hour skills evaluation. This offer is good for all baseball or softball teams of all skill levels and abilities.

What will be covered?

During the free one-hour evaluation, we will take the team or individual and conduct bat speed testing and velocity (arm strength) testing. Depending on age and time of year, testing may occur outdoor on our new Field-Turf® field to conduct a 60-yard dash and shuttle run. Basic fundamentals of the game will also be covered as well as some hitting, pitching, fielding, etc. You will get to experience our style of coaching, philosophy and training methods that has made Rijo Athletics the number one training facility for teams and individuals in the Northwest since 1999.
