Spring 2018 MUSTANG DIVISION GUIDELINES

The following guidelines are for use during Mustang League play and, when applicable are a supplement to the Official Baseball Rules, PONY Baseball Rules and SMYB By-laws utilized in the league. All play shall be governed by 2018 PONY Baseball rules, the SMYB By-laws and these SMYB Division Guidelines.

Any violation of the SMYB By-Laws, Division Guidelines or Pony Rules may result in a forfeit of the game and/or the suspension of a player, manager, coach, umpire, or any other person for such period as shall be deemed appropriate by the Board.

Games will be played at Mission Sports Park. The Home team will occupy the 3rd base dugout; the visiting team will be in the 1st base dugout.

Only SMYB Board approved managers and coaches will be allowed on the field during practices and games. The team manager is solely responsible for insuring that each assistant coach submits a "Coach's Application" and that they are approved by the SMYB Board prior to being on the field.

1. Junior (Youth) Umpires will be used. Managers and coaches should be aware of the following:
 - a. Any umpire's decision which involves judgment, such as, but not limited to, whether a batted ball is fair or foul, whether a pitch is a strike or ball, or whether a runner is safe or out, is final. No player, manager, coach or substitute shall object to any such judgment decisions. (Official Baseball Rule 9.02(a))
 - b. Each umpire has the authority to rule on any point not specifically covered in the rules. (Official Baseball Rule 9.01(c))
 - c. Each umpire has authority to disqualify any player, coach, manager or substitute for objecting to a decision or for unsportsmanlike conduct or language, and to eject such disqualified person from the playing field. If an umpire disqualifies a player while a play is in progress, the disqualification shall not take effect until no further action is possible in that play. (Official Baseball Rule 9.01 (d))

2. A "Slide or avoid" rule shall be enforced. The rule is:

In all instances where it is apparent a defensive player is protecting a **base** and is in possession of a live ball and is attempting to tag out (or force out) an advancing runner at that **base**, the runner shall slide if he chooses to continue his advance. Base

runners shall not intentionally attempt to dislodge a live ball from the possession of a defensive player attempting to make an out on the player advancing to that base by use of physical force while **not** in the process of sliding. Base runners shall not run into, strike or attempt to knock them down. If the base runner chooses not to slide he must avoid contact with the defensive player in possession of the ball, or if allowed, return to the previous base.

PENALTY: In the event a base runner fails to "Slide or avoid" in a situation as described above, he shall be declared out.

3. Catchers, or another defensive player covering any base, may not intentionally block the base or base path unless they are in possession of a live ball, or in the immediate process of receiving a live ball being thrown to them in order to immediately attempt to tag out an advancing runner.

PENALTY: In the event a defensive player commits the above-described action, he shall be declared to have committed interference and the advancing runner allowed to advance.

4.
 - a. Teams in the Mustang Division shall lead-off and steal bases pursuant to official Baseball Rules, with the exception of stealing Home from 3rd base. Runners may not advance directly from 3rd base to home plate unless they are either batted in or forced home via a base on balls, or dropped third strike, with the bases loaded and 2 outs. This is to include runners who steal 3rd base from 2nd base or advancing to 3rd base on a steal of 2nd base from 1st base. Any runner who steals home without being tagged out between 3rd base and home plate will be directed to return to 3rd base and any runners who advanced to 3rd base will return to 2nd base, etc. During plays where the runners are advancing on a batted ball, the runners may continue advancing until the Umpire has declared the current play dead. At that time, the prohibited stealing of home rule will be ineffect.

- b. Batters shall also be allowed to advance to first base on a dropped third strike pursuant to Official Baseball Rules. The dropped third strike rule is:

6.09(b): "The batter becomes a runner when... The third strike called by the umpire is not caught, providing (1) first base is unoccupied, or (2) first base is occupied with two out."

(When a batter becomes a runner on a third strike not caught by the catcher and starts for the dugout, or his position, and then realizes his situation and attempts then to reach first base, he is not out unless he or first base is tagged before he reaches first base. If, however, he actually enters the dugout, he may not then attempt to go to first base and shall be out).

- c. Throwing any equipment will not be tolerated. First time the player will be warned. Second time the player will be called out.

5. GAME GUIDELINES:

- a. A team must have at least 8 players, in proper uniform, to start a game. After a game has

- started, a team may finish the game with less than 8 players.
- b. Game time limits: No new inning may begin after 1 hour 50 minutes or 6 innings, whichever occurs first. A new inning begins at the time the 3rd out of the previous inning is made. There is no "grace" period while the teams take the field or a pitcher warms up. If, for example, the 3rd out of the bottom of an inning is made at 2:03 p.m., the top of the following inning begins at the same time.
 - c. If a game is tied at the end of the sixth inning and the time limit specified in paragraph "b" has not been reached, an additional inning(s) may be played; however, no new inning may start after the time limit has expired. Games that are tied at the completion of the time limit will be recorded as tie games.
 - d. No player shall be removed from a game mid-inning by the manager or coach and replaced by a player from the bench unless it is due to injury, illness or disciplinary reasons. Once a player is designated as sitting during an inning he must sit the entire inning (3 defensive outs) unless needed to replace a player due to injury, illness or disciplinary reasons.
 - e. All players present for a game shall play unless unable to play due to illness, injury, or suspension pursuant to the most recent By-laws. Games will include free defensive substitution and full-roster batting in an established batting order. Managers shall provide the opposing manager with a line-up card listing the players present and their batting order prior to the beginning of each game. No player may sit-out more than one consecutive defensive innings, unless injured or ill. Each player shall have sat 1 inning prior to any player sitting a 2nd inning, and each player shall have sat 2 innings prior to any player sitting a 3rd inning. Each player must also play a minimum of 3 defensive innings. In the event a player is unable to play due to injury or illness, it shall be documented in the Official Scoring Book.
 - f. No player may play in games if they have any type of cast due to previous injury.

6. EQUIPMENT

- a. If a manager suspects an illegal bat is being used he/she is to bring it to the attention of the Plate Umpire who will make the determination if the bat is to be removed from play. If the Umpire is uncertain, the bat will be removed from play and then evaluated by the Division Director and Umpire Director. If the bat is removed from play, the player and manager may stay in the game but the player must use an approved bat. The Division Director and Umpire Director will be notified and the incident will be noted. If the bat in question is returned to a game setting and removed a 2nd time, the manager is subject to conduct committee.

7. PLAYOFFS
