

## **CSH Hoops Club meeting Oct 10, 2016**

### **Board in attendance**

Melissa Helmerich, President  
Tammy Reed, Treasurer  
Mary Pemberton, Secretary

### **Coaches**

Mike Deutsch  
Terry Nickels  
Alex Smith

Meeting called to order by Melissa – intros as we had a new parent and then had an introduction to Level 3 coach Alex Smith. She comes to us from Alaska where she coached the last two years. She is an Air Academy alum.

Bonfire update – we made \$70 on a short notice idea thanks to Tammy for donating the hot chocolate and running the table at the bonfire. Will plan to have a table next year with more options for sale.

### **Coach Deutsch**

Impressed with the level of strength and conditioning he sees in the girls from the basketball class. It is noticeable during the open gym scrimmages.

Schedule of games is a work in progress – one major issue is the lack of referees. We will have some games on Saturday mornings instead of Friday nights. Some schools are dropping level 3 and there is also a concern about limited busses/drivers.

Plan to have scrimmages during Thanksgiving week – Air Academy, Heritage

Physicals/fees are due to the AD office by Nov 4th

Try-outs are Friday Nov 11 and Saturday Nov 12

Tip-off dinner is the 15<sup>th</sup> and we will explore moving it to Ken Caryl ranch house. Will connect with Cindy for her contacts to get some donations of food. Will have team dinner sign-up sheets at the dinner.

Overnight this year will be November 18<sup>th</sup> and then plan to practice/scrimmage on Saturday

### **Community Service**

Headed up by the Simon family, they have connected with Ashely Broer to have the girls work on a sock drive, shoe drive, possibly other items their families are in need of. Looking for one or two other families to help coordinate.

### **Fundraisers**

Bake sale during parent teacher conference, only one night this year so Ms. Gunkle will sell items in her classroom during the day to help move items. Girls can deliver baked goods to Coach Smith's room Thursday morning. Brad Simon has access to an oversize printer so Pam will design bake sale posters and Brad will print ☺ thank you!

Blankets – we make about \$7 per blanket, can we make selling the blankets more compelling to the girls, possibly a cut of profits goes into their accounts after the 5<sup>th</sup> blanket sold. Or sell other items – the Poms tumblers have been a big hit. The phone pop-its and card case stick-ons were mentioned as an option.

Please bring your ideas to the November meeting.

Poker night – will keep it at the Mirage but will try to move to a January date – after the holidays.

Will need to find ways to off-set the limited bake sale profits and raise more money as we head into next season when uniforms will be in the budget.
