League Reports

T-Ball (Frank)

discussed how players can sign up to register without paying and get placed on teams/ uniforms ordered. Board approved to allow players to register before paying but will not be placed on a team until registration has been paid in full.

Frank is going to review current t-ball teams and work on merging the teams that have 4 players or less.

Rookies

Discussed the pitching machine and the board approved to purchase a new Black System for 2017 season.

Minors

A minor hit the ball out of the park: Need to promote

The player rotation, machine speed for the rookies was discussed **(you will need to get with Robert for details on this, over my head)**

Sponsorships:

PCL, Premier Pools and Realty Executives have renewed or will be. Working on calling all expired or upcoming renewals. Working on updating the sponsorships levels. Discussed different fundraisers and ways to promote sponsors.

Communications

We nominated and voted in Ron Griffin as PR and Communication manager

Summer

Decided to continue with summer camps since we make money.

Pitch Hit and Run is

@11am 4/8

4/26th is All Star Game? Maybe.

There was an hour long discussion about coaching the 8u team and how the current selection needs to be revised. There was an obvious inter board conflict on this and I do not believe a resolution was made. You will need to get with Robert on this one. - Would love insight on this so I can compile accurate minutes.
