## Captains Waiver

Captains:

### RULES AND REGULATIONS:

I acknowledge that as a team captain in the MA Hockey League it is my responsibility to represent my team within the league. I agree that all information provided by my team is accurate and up to date. I understand that I am responsible to make sure that all my teammates register online with the league. I agree to provide the referee or scorekeeper with an accurate official roster of each game, prior to the start of the game, so that he/she can accurately record the game.

I understand that if my team cannot make a game, I must provide the league management with at least three weeks advance notice and get league approval or else forfeit the game. I agree to review all the rules of the league which are posted online at [www.mahockeyleague.com](http://www.mahockeyleague.com) and make sure that my team is made aware of those rules as well.

I agree to abide by the league rules and to help ensure that my teammates do the same.

I acknowledge and agree that I am responsible for seeing that my team's balance is paid in full. The definition of my team shall include all registered regular players and unregistered substitute players who play as a member of my Team.

### WAIVER AND RELEASE:

By registering my team I hereby acknowledge that being on the ice and playing recreational hockey is a dangerous sport and that serious personal injuries, including death may occur. All team members, including any players who may be unregistered sub players, do hereby assume the risk of injury. Each team member does hereby release the MA Hockey League, its officers, agents, employees and referees from any and all claims for personal injury, including death and property damage that may arise directly or indirectly from any participation in the game of hockey and/or from being on the ice.

I acknowledge and agree that this Waiver and Release is binding upon my personal representatives, successors and assigns.
