### Player movement rules are as follows:

1. No player may play in, or tryout for, an age bracket above his or her age appropriate bracket without permission from the Hockey Director.
1. If permission to tryout is granted, the player must be evaluated for both teams. A position will be held on the age appropriate team until after the move-up tryout and placement on the move-up team. Permission to move up is not a guarantee of a spot on the move-up team.
2. Players will not be allowed to practice with the move-up team prior to that team's tryout.
3. The Hockey Director, in collaboration with the LCAHA Board of Directors and one other non-interested person chosen by the Director will evaluate the player. This panel shall observe the player requesting the move-up during evaluations/tryouts for both teams and make recommendations. This panel shall also meet with the player and parents to discuss the ramifications of a "move-up".
4. No player will be moved up if the next division is at capacity
  1. A player will only be allowed to move-up one year above their current age (e.g., a first year Squirt will not be allowed to move-up as a Pee Wee).
  2. All recommendations by the Hockey Director must be reviewed and voted on by the LCAHA Board of Directors
  3. The LCAHA Board of Directors reserves the right to refuse any request for move up based on, but not limited to, skill level and safety of player

**I have read the above LCAHA move up rules and procedures. I agree to follow the process and abide by the final decision of the Hockey Director and LCAHA Board of Directors.**
