As a non-profit 501(c)(3) soccer organization serving hundreds of youth soccer players in Lawrence Township from kindergarten to high school, we take pride in our role in the community and aim to provide youths the opportunity to explore, enjoy, and develop in soccer. We strongly believe in players—based on their age level—participating with a fewer amount of players on appropriate-sized fields and shooting on appropriate-sized goals. We believe this not only increases their involvement and enjoyment but also significantly enhances their development. As part of this vision, we need to purchase smaller-sized goals—and many of them! Your donation can help make this happen and thus benefit our players tremendously. Please help support our "goal for goals".
