2013 Sponsorship Program

The Burnsville Traveling Fastpitch program would like to invite your organization to join our team as a Sponsor. Sponsor contributions assist us in keeping our registration fees affordable, allowing more kids to participate through our scholarship program and maintaining and improving our equipment and ballpark facilities for all to use.

The ongoing success of our program is dependent upon the support of great organizations such as yours. Your sponsorship would aid us in providing a quality program in our community that benefits the youth. In return for your generosity you will have the opportunity to market your company's products and services to our teams' players, families and friends as well as to the visiting teams attending our tournament. We have worked to offer a number of sponsorship levels for you to consider, however we are always open to additional ideas that might mutually benefit both of our organizations.
