

Oxford Golden Bears

Welcome to the Oxford Golden Bears. Listed below is information you will need to complete a football athlete or cheerleader application. Please read through all the information carefully. If you have any questions, please contact any of the Oxford Golden Bears Board Members listed on our website: www.oxfordgoldenbears.org.

The Oxford Golden Bears Football and Cheerleading Organization is a volunteer club. In order to keep our fees as low as they are, we rely on the assistance of parents and community members to help us run the various committees and activities that keep this league available to our children. We encourage everyone to fill out a volunteer form (attached) and attend the general meetings.

Due to insurance reasons, no football athlete or cheerleader will be allowed to practice or participate in any games unless all registration fees are paid in full prior to the first practice session.

Past due fees and unreturned equipment/uniform charges from previous seasons must be paid in full before 2018 registration will be accepted

The Organization needs proof of your child's age. All new athletes or cheerleaders must provide their original birth certificate at the time of registration. There are no exceptions.

ALL football athletes and cheerleaders must supply a completed 2018 Sports Physical Examination Form that has been signed by a physician (see attached form). **This form must be turned in by the first practice. The first practice is scheduled to begin August 1, 2018 (subject to change).**

ALL parents, athletes, and/or cheerleaders must sign the following forms to register (see attached, including the following Bert Bell Memorial Football Conference conduct forms dated March 2008). Copies for reference are available on the website at www.oxfordgoldenbears.org/documents

- Disciplinary Code
- Volunteer Code of Conduct
- Parent, Guardian, or Guest Code of Conduct
- Participant Code of Conduct
- Injury Release, Indemnification, and Hold Harmless Agreement

Refund Policy: The registration fee will be refunded if an athlete or cheerleader withdraws on/before August 1st. After August 1st no refund is available. No football jersey will be given if player withdraws.

Concussion Impact Testing: OGB's commitment to the safety of our children is primary. Concussions in athletes are serious injuries that should be properly assessed and monitored. This Organization supports proper medical evaluation, management, and recovery of concussions. With the increase of concussions occurring in youth sports, there are many ways our athletes can be protected. "Impact testing" is a means of establishing baseline neuropsychological results that can help in the diagnosis and treatment of concussions. We encourage you to explore this, either through computer based software or in-office medical assessments. Athletes will not be allowed to play or cheer following signs or symptoms of concussions unless he/she is medically evaluated. A medical release form must be submitted to his/her coach for their return to athletic participation in this Organization.

Medical/injury policy: Any injury/illness requiring medical treatment will require a doctor's clearance to resume play.

Please remember that no football athlete will be allowed to participate with metal cleats.
