

A Message From the Director Vin Gulbin

Practice does not make perfect.
Only perfect practice makes perfect.
The Highlander Basketball Camp is committed to teaching the fundamental skills, offensive and defensive philosophies needed at each grade level. Through this camp we want to generate excitement and passion for Highlander Girls' Basketball and teach kids what it takes to be a varsity Highlander basketball player.

My experience includes playing at Montclair State University and then coaching for ALJ, David Brearley before taking the girls head coaching position at Governor Livingston.
