

A Message From the Director Vin Gulbin

Practice does not make perfect.
Only perfect practice makes perfect. The Highlander Basketball Camp is committed to teaching the fundamental skills, offensive and defensive philosophies needed at each grade level. Through this camp we want to generate excitement and passion for Highlander Girls' Basketball and teach kids what it takes to be a varsity Highlander basketball player.

I played at Montclair State University and the coached for ALJ, David Brearley before taking the girls head coaching position at Governor Livingston.
