#### New Business

- Soccer is requesting a set of full sized goals, which cost around \$3700. They think it will be within their budget but are requested extra money if needed. It was decided they would purchase the goals from their current budget and if there was a budget shortage would come back to the organization for additional funds.
- Dave Kentner informed the board that LV Sports Extra has agreed to give each sport a picture day and article in their newspaper each season. This is included with an agreement that we will put our registration advertising in the paper each season.
- Dave Peters was unanimously voted onto the board.
