

## Del Mar American Little League AAA Division Rules

### OVERVIEW of DIVISION

The DMALL AAA division is an instructional/competitive league for participants' ages 9 to 12 wherein competition is introduced in the form of season's ranking, tournament play and All-Star selections. The AAA Division plays according to the official Regulations and Playing Rules of Little League Baseball, Minor League. There are a select number of exceptions to the official rules as adopted by the DMALL Board of Directors which are underlined.

The following is a summary of the significant rules and procedures for the AAA Division.

Del Mar American Little League Rules:

Del Mar Little League plays under the Minor League Official Regulations and Playing Rules unless specified within this DMLL Rules handout.

### RULES of PLAY

Batting:

- The batting order consists of all players, "Continuous Batting Order".
- There is no "on-deck batter" position. Players should come from the bench to the plate, after the previous play has stopped.
- Balls and strikes will be called by the umpire from behind the plate and therefore there are both strikeouts and walks. The call by the umpire is to be considered final and cannot be contested.
- There is a 5 run mercy rule per inning. If a play results in more than 5 runs in an inning (e.g. a 2 run homerun is scored after 4 runs are already in) it will be played to completion but only 5 runs will be scored.
- A 10 run mercy is in effect after 4 complete innings.
- **The five-run rule is suspended in the last half inning for either team, by option of the local league.**

- Bunting is allowed
- A helmet must be worn at all times a player is at bat, on the bases, or assisting as a base coach.
- The infield fly rule will be enforced.
- A dropped third strike results in an out.
- Accidental Bat throwing will not be tolerated (one warning). A player will be ejected after second time. Unsportsmanlike throwing of the bat or other equipment is grounds for immediate ejection.
- Official Little League Rules will be enforced if a player bats out of turn.

#### Base Running:

- Base runners must stay in contact with the base until the ball crosses home plate; therefore, there is no leading off.
- Stealing is allowed, including home.
- A runner cannot slide headfirst into a base except when returning to a base.
- A runner is out if the runner does not slide or attempt to avoid a fielder who has the ball and is waiting to make the tag.
- A player may not advance when the pitcher has control of the ball and his foot is on the rubber. **WAIVER 7.13** The pitcher cannot stop a play or halt an advancing runner by placing his foot on the rubber.

#### Games:

- A team must have 9 players to start a game. Once a game has started with 9 players, it can be continued with as few as 8 players. Managers should make every attempt to borrow players in advance of a game where they know that they may be short of players. There are no forfeits - any game not played because one team cannot field a team should be rescheduled if possible.
- All games will be 6 innings in length. Extra innings are permitted to break ties, time and light permitting. All games must start on time! On Saturdays, strict adherence to the time limit of two hours is required so that all games may be completed as scheduled. No new inning may start after 1:45 game time on Saturdays. It is the intent that all games are played to the duration whenever possible.
- Only the umpire will decide if the game will be called prior to 6 innings due to weather or light.
- Ties or games cancelled due to rain will be made up within two weeks if possible. Care will be given so that teams will not have to play back to back games if possible.
- During a game, an injury or other circumstance that leaves a team with less than 8 players must be halted. **WAIVER 4.17**
- All forfeits and other disputes will be settled by the Board of Directors and will be presented to the Board by the AAA Coordinator.

#### Team Rosters:

- A team shall consist of 12 players.
- No team may have more than four 9 year old players
- During the first half of the season a team reduced to less than 12 players must add a player. The added player shall come from the AA "Play up List", but not from a team in AA who has previously lost a player to AAA, to the degree that this is possible.
- The player chosen must be at least 9 years old.
- Any player in AAA on the AAA "Play Up List" may be brought up to the Majors level as the need arises at any time during the season. A AAA team losing a player to Majors will not be required to give up a second player until all other AAA teams have done so to the degree possible per the "AAA Play Up List" player availability. The "Play Up List" will be created by the leagues player agent.
- "DMLL Minor League Player Replacement Policy" describes specific guidelines for how and when a player will be replaced.

#### Defensive Field Makeup:

- Teams will field 9. The outfielders shall be positioned on the outfield grass (generally at least 25 feet behind the bases unless outfield is in to prevent a run when the game is on the line) to prevent them from interfering with the infield positions and plays in the infield. WAIVER 1.01, 4.03(C)
- The catcher must wear full protective gear and use a catcher's glove. Any male player playing the catcher's position absolutely MUST be wearing a protective cup (NO EXCEPTIONS). A neck guard must also be attached to the helmet.

#### Substitutions & Rotation of Players:

- A manager may substitute freely. A player does not have to be a starter to re-enter the game. A defensive fielder must complete an inning to qualify as having played that position during a game.
- Substitutes will rotate each defensive inning so that no player sits more than one inning in a row. All players shall sit out one inning before a player sits out a second.
- Each Player will play a minimum of 2 innings in the infield.

#### Pitching: Per Little League Green Book rules

- A manager must remove the pitcher when said pitcher reaches the pitch count limit for the players age:

11	-	85 pitches per day
9-10	-	75 pitches per day

- However, if a player reaches their pitch limit while facing a batter, the pitcher may finish pitching to that batter, in that inning, but must come out after that at bat and must observe the rest requirements.
- If a player pitches 66 or more pitches in a day, four (4) calendar days of rest
- If a player pitches 51 - 65 pitches in a day, three (3) calendar days of rest must be observed.
- If a player pitches 36 – 50 in a day, two (2) calendar days of rest must be observed.
- If a player pitches 21 - 35 pitches in a day, one (1) calendar day of rest must be observed.
- If a player pitches 1-20 pitches in a day, no (0) calendar day of rest is required.
- A pitcher who delivers 41 or more pitches in a game cannot play the position of catcher for the remainder of that day.
- Illegal pitches will be called per Official Little League rules (Rule 8.05) **An illegal pitch, whether or not a pitch is actually delivered to a batter, counts as a pitch in determining the pitch count for that pitcher.**
- A pitcher once removed from the pitcher's position **may not** pitch again in the same game.
- Curveballs are allowed.
