

## **Tie-Breaker Rules**

The following tie-breaker rules will be applied, in order, to determine seeding in the playoffs based on regular season results when 2 or more teams have the same overall record:

- 1) Head-to-head record\*
- 2) Record vs DMA opponents
- 3) Runs Allowed
- 4) Runs Scored
- 5) Coin flip

\*when more than 2 teams are tied, head-to-head is only applicable if one of the teams has not lost to any of the other 2 or more teams. If this is not the case, then record vs DMA opponents becomes the first tie-breaker.
