FALL LACROSSE

SUNDAY CLINICS:

LOCATION: Bogue Sound Elementary School, possibly Ft. Benjamin (Jon will discuss with Drew, right now it is busy with football and soccer season)

DATES: Sundays on Oct. 5, Nov. 16, Dec. 14, Jan. 11, 18, 25

TIME: 2-4pm

COACHES: George and Scott cannot coach due to HS rules. Zech, Joe, Andy, Dan can do Sunday clinics. Caryn, it depends on soccer schedule. Will check with Hannah and Griff.

Sunday will be no pads, no contact but an opportunity for drills and to help the new players with the fundamentals. It is still encouraged for the experienced players to come so they can assist the newer players that are their peers. Coaches will be in charge of how to run each clinic with the players present.

FALL FESTIVALS:

Dates to be determined. Last 2 years this gave us great exposure and we want to spread awareness of our league to more people in these areas:

Swansboro – still looking for a contact person to help us

White Oak

Bogue Sound

Newport Elementary

Morehead City

Sandridge Elementary – Hubert

Tiller School

LOOKING AHEAD

---Registrations for regular season should start earlier this year so we can order uniforms and be ready at season start

---Insurance Option – US Lacrosse's coverage has a \$500 deductible, which we need to make parents aware of. If they want additional insurance maybe we can offer a supplemental – local schools do this rather cheaply.

---Coaches Education starts NOW.

All coaches will be required to have LEVEL 1 completed by season start.

NOVEMBER clinic at Topsail – more info to come.

Steve Otto can host ref. clinic at Croatan.

Girls Rules Interpretation Clinic to be held in Jacksonville.

----- This is to make our standards high and achieve Gold Stick Standards.
