FIELDS:

First games of the season cancelled due to wet field conditions. Looking into the possibility that Pitt may host, waiting on call and then will let teams know with as much notice as possible. *UPDATE: GAMES TO BE RESCHEDULED*

Regarding fields, note that Parks and Rec are being overly protective this year due to the short amount of time between our end of season and the start of football to regrow the grass and get in good condition. To prepare for the event of cancelled games, consider make-up games may go to Sundays or into Spring Break. Last resort is to move make up games to after the ECYLL Tournament. That will conflict with summer tournament teams such as Shore Raiders, Shamrocks and Coastal United.

Game Days: Joe & Jon will do field set up and tear down on game days.

CONCESSIONS: Kirsten is working on getting shed inspected. A team will be assigned for each home game to cover duty. The upcoming Havelock game will go to the GIRLS teams since they have a game at 2:00pm. Just before their game they can close up shop.

UNIFORMS: U15B has their shirts, picking up shorts tonight. U13 has new shirts compliments of CCFP. U11 and U9 boys will wear powder blue jerseys, will get new shorts which are on their way. A new pattern has been ordered this year as we are retiring the all argyle look. The new shorts will be black with an argyle stripe down the sides. Girls uniforms: to be ordered, we have one style in stock for use until they come in.

Pennies: 100 are in, new pattern, no numbers, reversible. Kids can keep the pennies and shorts at the end of the season.

Equipment: We own 15 brand new boys helmets, which are available for loaning. Lacrosse balls – two cases of orange were ordered. Scorekeeping books – should be pages available in books from last year and Jon has a couple if you need one.

SPONSORSHIP – looking for someone to take on the responsibility of generating a Levels of Giving Sponsorship package to present to businesses. For example, banners on the fencing.

PICTURES: will be in late April.

END OF SEASON BANQUET: will now be incorporated into the ECYLL Tournament instead of a stand along event. Trophies will need to be ordered in time for the tournament.

COACHES >>

SCORE TABLE: Please get with your parents and coordinate volunteers to volunteer at the score table for your game at all home games. It is the home team's responsibility to provide these score table volunteers. Usually you need 2 people to man the table – one to do penalties and the other to man the score board/clock. If you are keeping stat books, that is an additional responsibility. We will try to have some of the older high school boys come out to help at the table – you will also see some of them refereeing the games this year.

PAY YOUR REFEREE: At the table there will be checks for the ref's. Jon will have written out these checks ahead of time and leave in an envelop at the score table. Please be sure your ref receives his check. Jon will not be present at all games this season.

ROSTERS DUE: needs to be done and sent to Jon or update website, need the name and number!

FORMS DUE: Code of Conduct, Media Release, Equipment form. When you have collected them all, turn into Amy Quinto.

REQUESTS:

*First Aid kits for each team (small kit). First Aid bag always available at the scorer's table on game days.

*Request to have the girls crease line fixed.

*U9Boys needs throat guard and would like to know as soon as possible when they have concession duty (they will share this day with the U11 boys since they are smaller teams).

U11 boys needs goalie pants – U9 goalie pants are a little too big so maybe give to U11 and U9 get new pants.
