

DYH Spectator Code of Conduct

- Display good sportsmanship. Always respect players, coaches and officials.
- Act appropriately; do not taunt or disturb other fans. Enjoy the game together.
- Cheer good plays of all participants; avoid booing opponents.
- Cheer in a positive manner and encourage fair play. Profanity and objectionable cheers or gestures are offensive.
- Help provide a safe and fun environment; throwing any items on the ice surface can cause injury to players and officials.
- Do not lean over or pound on the glass. The glass surrounding the ice surface is part of the playing area.
- Support the referees and coaches by trusting their judgement and integrity.
- Be responsible for your own safety – be alert to prevent accidents from flying pucks and other avoidable situations.
- Respect locker rooms as private areas for players, coaches, and officials.
- Be supportive after the game – win or lose. Recognize good effort, teamwork and sportsmanship.

Duxbury Youth Hockey makes every effort to provide an enjoyable environment for not only our players and coaches but also for the spectators in the stands. This becomes difficult when spectators do not conduct themselves appropriately. As a result, the environment becomes negative and unproductive for the players. DYH will have ZERO Tolerance regarding misbehaviors on or off the ice. The implications for breaking these rules are:

- A coach or official may warn the spectator. If the behavior continues, he or she may be asked to leave the premises.
- If the actions continue, it may effect further action taken on the spectator's player.
- Report all incidents or issues to your director. The Board will handle these situations. (Reference USA Hockey Policies and Procedures)
