PRESIDENT'S MESSAGE

Dear Members,

On behalf of the Officers, Directors and Officials, I am taking this opportunity to welcome you to the 2009-2010 season.

I am please to announce the girls division continues to grow and will enter its seventh year of operation. This season the Conference has established a B-2 division that will play under all of the rules of USA Hockey, Mass Hockey and our Red Book.

Currently our website www.sschokey.org continues to increase in use. We encourage you to use it. Neil Budden has refined it and now features more information on SSC and our Dynamo Select Program. We appreciate Neil's fine efforts.

The South Shore Conference policy continues to hold the program coaching staff responsible for all incidents in or out of the rink.

This was recommended to provide a safe environment for everyone.

On a lighter note, I am pleased to announce that our Select Division continues to be highly successful in the Massachusetts Select League. Our Peewee Minor and Major Teams won the State Championship and represented Mass Hockey in the National Tournament. The Squirt Minor team won the Massachusetts State Select League. It was the best finish of our Select Teams, 3 championships in one season.

In closing, I welcome all suggestions on any aspect of our Conference.

Have a great season!

Cordially,

Burt Herman
President, South Shore Conference

REVISED RULES FOR THE 2009--2010 SEASON
MITES THROUGH MIDGETS INCLUDING GIRLS DIVISION

THE SOUTH SHORE CONFERENCE WILL RUN AND OPERATE ALL DIVISIONS UNDER THE BELOW LISTED RULES:

1. All rules established and published by USA Hockey/Mass Hockey shall apply except as amended herein.
2. All games will start on time. Two (2) minutes will be allowed for warm-ups. After 1½ minutes, the buzzer sounds, signifying only 30 seconds are remaining for warm-ups. The buzzer will sound again 30 seconds later signifying the conclusion of warm-ups. All players must return to the bench area immediately. The first two periods will be twelve (12) minutes stop time. The third period will be running time, with the last two minutes stop time. The referee will determine the length of the third periods. If a team is leading by five goals, the two-minute stop time in the last period will be waived.
3. PENALTIES
 - A. Length Minor 1.5 minutes
 Major 5 minutes
 Misconduct 10 minutes

Game Misconduct – ejection from game and a one game suspension

Match penalty – suspension, determined by the board and disciplinary committee

❖ A player receiving three penalties in a game will be ejected from that game.

- B. All players must proceed to the penalty box immediately after the penalty is called. Otherwise, another minor penalty (may) be assessed.
- C. There will be no stick throwing, stick banging or profanity by players or coaches in the player's boxes during the games. A minor penalty will be assessed to the offending team with the coach designating who shall serve it. No player is allowed to sit on, lean on, or lean over the boards during game action.
- D. The South Shore Conference will not tolerate major fighting.
- E. If an official calls a major penalty for fighting in any period of the game, the player will receive a game misconduct for the current game plus a minimum of three (3) game suspensions will be assessed, and the player may not participate in any other South Shore Conference game until his or her suspension is served. The suspension must be served in the next scheduled South Shore Conference game(s). The five minute major penalty must be served by a teammate, unless offset by a similar penalty against the opposing team. There is no right of appeal for the first fighting penalty.
- F. If an official calls a second major penalty on the same player for fighting or any other major incident during this season, the player will be suspended for the game (with five minute major being served by a teammate, if necessary) plus, the remainder of the season pending a hearing for the following season.

4. Deliberate intent to injure another player will result in immediate dismissal from the league. A program with a dismissed player(s) may request a hearing by the Disciplinary Committee, for reinstatement into the league.
5. A player or coach receiving two (2) suspensions in a given season, including playoffs, is automatically suspended and is subject to a hearing to determine further participation in the Conference.
6. A third man in penalty is a South Shore Conference 1 game suspension. Additional discipline can be assessed by the Executive Committee.
7. During a suspension of a player, if a forfeit (win) is credited to his/her team, the game will be counted against the suspension. Cancelled games are not credited.
 - A. The South Shore Conference, Inc. reserves the right to suspend any team, coach, parent or player for any cause that, in its opinion, is not to the best interest of the League. The Executive Committee may assess fines subject to a review.
 - B. A suspension list may be posted in all lobbies of rinks used by the South Shore Conference and suspension list will be posted on the SSC website. If any suspended or illegal player is playing in any South Shore Conference game while under suspension by the Conference, the following actions will be taken:
 - 1) The game will be forfeited to the other team.
 - 2) The coach or team official will be suspended for 30 days pending a hearing. The coach or team official is subject to a minimum of not less than 1 year.
 - 3) The South Shore Conference tries to post standings and suspensions at each rink on a frequent basis. Player suspensions posted are subject to our receiving game reports at the time of posting. It is the responsibility of the coach to enforce any suspension shown on the game sheet. If a question exists, the game scheduler should be called. If not available call the president.
 - C. Relative to dispute involving illegal or suspended players, the South Shore Conference will go back the two previous weeks from the time the incident report is received. **ALL INCIDENT REPORTS MUST BE RECEIVED WITHIN 48 HOURS OF THE TIME OF THE GAME/INCIDENT OCCURRING.**
 - D. No South Shore Conference player, coach, official or fan shall use profane, abusive language; obscene gestures or show unsportsman like conduct on or off the ice. The penalty is a South Shore Conference 2 game suspension. (ie: Abuse is defined as insult, vilify, mistreatments, profane language, swearing and etc.)
 - E. Any abuse to officials by any player or person will result in a South Shore Conference 2 game suspension. The Executive Board can review the incident and add additional discipline.
 - F. Any person going onto the ice without permission from the referee will be assessed a South Shore Conference 2 game suspension.
 - G. The shaking of hands will be permitted following the conclusion of the game, and then both teams will leave the ice immediately. During the handshake after the game or while leaving the ice the following penalties will be assessed to the player(s) involved:
 - a. Fighting – 3 games
 - b. Verbal Abuse – 2 games
 - c. All other penalty assessments will prevail

8. Teams not able to place a full squad on the ice at game time will forfeit the game. Five (5) skaters and a goaltender will constitute a full squad. Eighteen (18) players are allowed to dress for the games, plus two goaltenders, total of twenty (20).
9. Only players registered for the team will be allowed to skate (except a goaltender may be substituted until the registered player arrives.) There will be a minimum of TWELVE (12), plus a goaltender, on a roster. Any team skating a non-registered player will forfeit the game. Rosters will be submitted on a USA HOCKEY team registration form to the roster committee chairperson as designated by the president by (NOVEMBER 1ST) or all games after that date will be forfeited until rosters are properly submitted. Birth Certificate(s) will be submitted within 24 hours to the president of the South Shore Conference upon his request, (refer to rule #10.)
Alternates for the "A" Level teams must appear on the "B" team roster as submitted to the South Shore Conference. Programs that have "C" teams must submit a separate copy of that roster prior to using any "C" players as "B" alternates. If a hardship exists, the executive committee will review each case.
10. Only teams with a responsible coach in charge will be accepted. Each team must have a responsible coach patched by December 31st on the bench during every game. To avoid congestion at player's entrance, keep team in locker room five (5) minutes before scheduled game time. Other than the players, up to four coaches are allowed on the bench during a game. The executive committee has the right to revoke the 4-coach on the bench privilege due to any incident.
11. It is the intent of the South Shore Conference to have all players in matching uniforms with permanently assigned numbers. If team has 2 sets, program will try to match original number. In case of a conflict of colors, visiting team (listed second on schedule) must provide an alternate jersey color or wear pullovers. Players on the same team cannot wear duplicate numbers on the jerseys.
12. In accordance with USA HOCKEY rules, all players must wear helmets and full-face guards. No player will be allowed on the ice without these items. Where required, a mouthpiece not in proper position while on the ice is a misconduct penalty. Approved USA HOCKEY face shields must be worn.
13. During the course of the season, if a coach is requested to prove the age of any player registered, he must do so. Birth Certificate will be given to president or designee.
14. There will be a minimum of two (2) officials assigned for each game, set officials are to be supplied by South Shore Conference, Inc. The South Shore Conference, Inc. will also provide a scorer/timekeeper for each game. Due to unforeseen circumstances if only one referee is present, the game will be played and counted in the standings. If there is a USA patched official on the premises, the official can referee the game if agreed by each coach.
15. All coaches should report to the rink office for a locker room key. Keys will be issued only to coaches, not to a player.
16. Referees have complete control of the boxes and the ice. Rink management and/or South Shore Conference officers will control all other areas.
17. Coaches, officials, and scorers may communicate their suggestions, complaints, etc. to the South Shore Conference, Inc. by filling out an incident report and forwarding it to the appropriate league vice president and/or league president within 48 hours of the incident. If the incident is a complaint, it will either be acted upon or you will be contacted by phone to explain why it cannot be acted upon. All incident reports will be picked up at the designated place in each rink where the game sheets are picked up or may be given to the scorekeeper who will place them at the designated pick-up location.

- a) A committee consisting of the President, Division Vice Presidents, Secretary and Treasurer appointed Directors or Program Presidents would handle incident reports, complaints, suspensions and hearings. The referee-in-chief or designee will serve on the committee without voting privileges.

18. GAME CANCELLATIONS!

A. NONE WILL BE PERMITTED. Every game scheduled must be played.

B. CHANGE OF SCHEDULED GAME:

1. Must be approved by the division vice president.
2. Team responsible for a change will also be responsible for all ice costs and all referee and scorekeeper costs for the rescheduled game. The referee and scorekeeper must be paid prior to the start of the rescheduled game.
3. Team that is not making the change will have regular scheduled game ice for its own use.
4. All requests for changes must be made to the division vice president at least 30 DAYS prior to the regular scheduled game by the Program South Shore Conference Director. Coaches are not allowed to make calls or changes with the division vice-president. In cases where schedules are not available 30 days prior to the requested change, request must be made within one week of the release of schedules.
5. Games must be rescheduled and played within one week prior to or one week after the regular scheduled game. Any problem with scheduling the game will be resolved by the division vice president.

C. PROCEDURE:

1. Request permission from division Vice President by the Program SSC Director.
2. Contact opposing coach to propose an agreeable alternative to the regular scheduled game.
3. Receive from the opposing coach his approval of the reschedule, and his definite intended use of the ice from the originally scheduled game. The non-canceling team/program has the first option to use the regular scheduled ice, plus referees, if needed. If the non-canceling team takes ice and does not use it, they will be fined \$100.00 and the Executive Board could assess any other costs incurred. If the non-canceling team does not use the ice, the canceling team/program has the 2nd option to use the ice as they see fit subject to the above rules. If the ice is not going to be used at all, the ice reverts back to the Conference, not less than 7 days prior to the cancellation.
4. Call division vice president to get final approval of:
 - a. Date of proposed game change, rink and time.
 - b. Commitment from non-canceling team/program or canceling team/program ice use.
 - c. Whether referees, scorekeepers will be needed for the regular scheduled ice.
 - d. Send copy of game change to pschwabe519@yahoo.com
