

Perry High School Athletic Mouthguards

FREE

AVAILABLE ONLY AT IMPRESSIONS DENTAL

Be Prepared! You never know what might hit ya.

Custom-made mouthguards are superior to store-bought mouthguards because they conform to your actual bite and are made of a more durable material. Age, previous dental injury, orthodontics, erupting teeth, and missing teeth are all important factors that affect the design of a mouthguard. *Only a custom-made mouthguard can address individual needs.*

There is a limited number of appointments, when they are filled there will be no other appointments available.

First come, first served
