

# DeWitt Lacrosse Mulch Fundraiser

## Quality bark from Hammond Farms

Created from *virgin* pine bark, NOT RECYCLED PALLETS, which make a more natural product. Pine is ground to a medium-fine texture and plenty of environment safe color to make vibrant, consistent colored mulches that we believe are the nicest products available.

### Colored Barks:

Redwood

Goldentone

Forest Brown

Walnut Brown

Misty Black

Twice Ground  
Red Pine
