

## **Mason High School Lacrosse Board Meeting**

*Thursday April 3, 2014*

### **Opening Message:**

Lacrosse Cards Fundraiser: the Boys/Families did a great job with this and we were able to make \$8,200.00 profit!! Thank you to all.

### **Budget:**

To be proposed and voted on at next meeting.

### **After Prom/Dodge ball:**

Headed Up by Lisa and Greg Dennehy.

Looking for volunteers to work the 12:00-4:00am shift. Need to purchase gift cards for winners. Last year they got \$10.00 gift cards.

### **JV Tournament:**

Mason was going to host this event on May 18, but it has been changed to Sycamore.

### **Volunteer Positions:**

After our meeting we had sign-ups for all the volunteer positions needed throughout the season and beyond. We had many sign-ups and we are so grateful for those of you that stepped up. We still need many more to get this booster club to the level it needs to be. We particularly need our underclassmen families to step up. Check out the many opportunities on our website: [MasonLacrosse.com](http://MasonLacrosse.com)

### **Open Discussion:**

We opened the floor to discussion of any topic and we had great response. So much was discussed that I couldn't get it all down on paper, so I'll touch on some of the highlights. Terri Green proposed that we have team dinners provided by the families before all home games. Everyone was on board and we are happy to report that the first one was a HUGE success. Thanks Terri.

The question was brought up about Corporate Sponsors. Jeff talked to the school and found out that we can get donations from anyone, private, corporate, even Aunt Bessie. So we are asking our booster families to see what they can find. We will run logos of our donating benefactors on our website!

**Next Board Meeting: Thursday May 1, 2014**
