

MASON HIGH SCHOOL BOYS LACROSSE BOOSTER MEETING

Monday, August 17, 2015

Call To Order : Mike Krell
June minutes approved

Treasurers Report: Mike Krell

- Review of end-of -season budget indicated there were 117 LaRosa's Buddy Cards remaining from last season that need to be sold. These are available for purchase if anyone wants one (or two).
- Summer Camp was a great success and we made \$5,100. A big thank you to all of the high school players that came out to help run the camp. The younger players really enjoyed getting to work with them. We received input, both positive and regarding areas needing improvement and will review those before the camp next summer to see how it can be an even better experience for the boys attending the camp.
- The proposed budget for the 2015-2016 season was presented and reviewed. As planning for the upcoming season continues, adjustments will be made accordingly.
- We will have fewer home games this year so total concession budget will be adjusted to reflect this.
- Helmets are being refurbished as needed. We will purchase new decals for the upcoming season.
- We have budgeted for indoor time at Wall-to-Wall in case of bad weather at the beginning of the season. As we are unable to predict the weather, we will adjust the budget as needed to accommodate more (or less) time needed.
- We are considering the purchase of new warm-ups and bags for the upcoming season. The committee is looking at various options along with costs.

7 v 7 Fall Tournament

The 7 v 7 Fall Tournament is in the works. At this point a limited number of high school teams have signed up and no middle school teams have registered. We will continue to pursue teams to participate and based on the registration numbers, determine if we will move ahead as scheduled or cancel the events.

Krispy Kreme Doughnut Sales

Doughnut sales were very successful and we will continue to sell these at select home football games this fall. We need parents to sell doughnuts at each game beginning at half time. Watch for the Sign-Up Genius requests prior to each game so you can volunteer to help.

Mason Bicentennial

MHS Boys Lacrosse will have a booth at the Mason Bicentennial. We plan to have a photo booth with props and will sell photo strips for \$2/each. We will also have the Buddy Cards available for sale at the booth.

Christmas Break Youth Clinic

We are looking at the possibility of hosting a one-day youth clinic over Christmas Break at Wall-to-Wall. The high school boys would run the clinic. Details will follow.

Player Packs

Items for Player Packs were discussed along with options to make a number of the pieces a one-time purchase. The committee is looking at various options along with costs.

Spring Preview

The Spring Preview for the varsity team will be held on March 12. We will need volunteers to be on the organizing committee.

MABA Representative

Mike Krell is on the MABA board so we do not need a volunteer but, if anyone would like to attend the meetings as our representative, please let Mike know.

Committee Openings

There are a number of committees and volunteer opportunities that will be available through the year. We will send out an email outlining the various positions that are open. Please consider volunteering.

Next booster meeting: Monday, September 14, 2015 at 7:00 pm.

All meetings are held in the Team Meeting Room-F110 across from the Athletic office.
