IV	<p><u>Volunteer Presentation – Sara and Brandon Schenz</u></p> <p>Sara and Brandon facilitated a discussion around Volunteerism and Mason Lacrosse. It is important to the coaches, Board and all parents that Community Service become an important part of the Lacrosse Program. Sara's goal is to make the words Mason Lacrosse synonymous with Community Service.</p> <p>Sara and Brandon discussed the importance of community service and propose that the boys volunteer more than once or twice during the season, instead making it a year-long commitment on a monthly basis. There was some concern noted around time commitments and other commitments to service organizations. It was reiterated that this would be a voluntary commitment by any players available/interested – it would not be a "requirement" but it would be an opportunity to give back.</p> <p>Sara facilitated discussion around potential community service opportunities including: Matthew 25, Food Pantry, Crayon's for Computers, Coat Drive, Sock & Underwear Drive. Coach Limpert confirmed that the Holiday Party Community Service Event (<i>usually the first week in December</i>) will also be an opportunity for the players this winter. More details to follow.</p> <p>Please email Sara and Brandon any other ideas you may have for volunteerism at: elamsarah76@gmail.com</p> <p>Thank you to Sara and Brandon for your time and dedication to our boys and the importance of giving back!</p>
