

HHS football media guide information sheet

Parents,

Attached is the form & the contact spread sheet updated from last year's Media Guide. If you sold an ad last year the company is still in your son's name. Please double check my list.

Each player is responsible for \$400.00 in ad sales.

- 1- Make sure you check this spread sheet to see what the business bought last year & make them aware.
- 2- PLEASE do NOT contact anyone before you contact me to make sure someone else has not already signed up for them; We do not want to bother anyone with multiple calls. I will be keeping this contact list up-to-date! So please, make sure you acknowledge me with an email letting me know if they are or are not renewing.
- 3- If you have a business that is interested and they are Not listed, please notify me immediately so that I can add your name to that sell. I will need to double check the lists. Remember, Cheer, Dance and Band have businesses that may be already in use. The attachment will include their contacts.
- 4- Once you have contacted the business and given them the form; Please follow up with them!!! IF the form & a check is not mailed to me by July 12, 2018, you will not have credit towards your sign/ad sales. Remember, player will receive 25% credit towards account, once sales reach over \$400.00

Thanks so much & happy selling!!! GBR

Susan Parker
