

Dear potential sponsor,

Shawnee Mission Girls Lacrosse is soliciting individual and personal sponsorships for the spring High School season. The funds generated will help with basic program cost. These include: league dues, field rental, equipment, officials and game fees, uniforms, travel expenses. Though lacrosse is the fastest-growing sport in the nation, it is not yet funded by local school districts. In Kansas, lacrosse is not yet a school-sanctioned sport.

Team membership is open to all high school girls in the Shawnee Mission School District attending both public and private schools. It is a well-rounded group of young ladies with a great degree of enthusiasm for the sport. Last season, the Varsity and Junior Varsity level teams finished the season and made it to the league championship games.

Please consider an Individual Sponsorship donation for one of the following levels:
