- ✂ Arrive to all events (15-30 minutes) ahead of time as scheduled and be ready to start play.
- ✂ Arrange to be picked up from scheduled events on time. (It should not be assumed that coaches are available to stay beyond scheduled practices or game completion).
- ✂ This sport does have its share of injuries. When at all possible, please stay and watch your child. It is not always easy to reach the parents of an injured child; your presence will make for quicker solutions upon injury.
- ✂ Report any injury or sickness to coaches prior to game/practice.
- ✂ Please email, phone, or text the coach any time your child may be unable to attend games/practice.
- ✂ This is a team sport. Coaches and teammates rely on each other to be present. In the spring season Lacrosse should be your primary sport for attendance and participation. If you choose to not make it so – please understand that playing time may not be what you expect it to be.
- ✂ Read and understand the By-Laws set forth by WTYLAX and the WT SAB.
