

2016 Challenger Division Safety Rules

Bring your child to the field where his/her team will meet; please wait until adequate field staff is present before heading to the stands.

Parents/guardians are to remain at all Challenger events - NO Drop Offs.

It is recommended that all players of any age wear a batter's helmet on offensive play. Safety helmets are provided for batters.

Players are NOT to have a bat unless they are walking to home plate to bat, or designated warm up stations at field.

One on deck batter warming up prior to their turn only, WITH adult supervision.

Players stay in the dug out waiting their turn to bat. Field staff, buddies, players, parent /aide of child are the only people to be in the dug out.

Other than a parent or authorized sibling, only volunteers with an APPROVED Little League mandatory background check will be allowed with players on the field. They are designated by wearing a Challenger logo t-shirt and name tag.

All spectators must remain off the field of play until tunnel time.

No jewelry, watches or pins are to be worn by players or buddies. The only exception will be Medic IDs. If in question, please ask.

It is recommended that all male Major players wear an athletic supporter.

Only water and sports drinks are allowed in the dugout and must be in unbreakable containers. No food is allowed in the dugout. Snacks are to be served off the field please.

All injuries, regardless of how minor, must be reported and the proper paperwork completed. This is for district insurance purposes.*

Parents are encouraged and expected to make recommendations to volunteer field staff for player safety and program improvements.

*Constructive advice is always welcomed to teach and prepare volunteers to work with your child. YOU are the best teacher!
HELP make this a program you and your child are proud to be a part of!!*

Questions and suggestions welcomed - contact Challenger Coordinator at info@GoChallengers.org OR 805/681-9165. **THANK YOU FOR YOUR HELP!**

*Any player or buddy recovering from an injury, which requires a cast, cannot play until the cast is removed and a release is given, in writing, by the physician to the Challenger Coordinator.
