

# FEBRUARY 3 YOUTH BAT DEMONSTRATION DAY

## Tryout the new USA Baseball Standard Bats

Bolton Youth Baseball, In The Batters Box, and Dick's Sporting goods are sponsoring a bat demo day. With the new USA Bats standards coming in 2018, all existing bats will have to be replaced for Cal Ripken and Little League play. This opportunity will allow parents to talk with experts from the vendors and kids will be able to get into the cage and tryout the bats against real pitching.
