

2018 Sponsorship Opportunities

The Amesbury Girls Youth Softball League (AGYSL) is made up of young women from Amesbury and South Hampton in grades 2 through 8. Every year AGYSL has nearly 150 girls learning how to field, catch, throw, hit and pitch. While learning these skills the girls also gain valuable lessons in teamwork, focus, determination and sportsmanship.

Our Organization relies heavily upon sponsorships to help defray league expenses such as equipment, uniforms, player awards, umpire fees, and insurance premiums. By sponsoring AGYSL, you make an investment in the community as well as in youth sports. Our largest fundraising goal for 2018 and beyond is to raise funds to build a new softball field at the Amesbury Middle School. AGYSL is working with the Amesbury High School women's varsity softball team to build a new field that both groups will use. For generations, AGYSL has fed into the AHS softball program, which has been one of the most successful sports programs at AHS and the Cape Anne League. But they have been forced to play on one of the worse fields in the region. Help us change that and provide a field worthy of the great young women we have playing softball in Amesbury. Our goal is to raise at least, **\$25,000** to initiate Phase 1 of the field renovations. This would allow us to re-condition the current field conditions with the appropriate infield grade soil, new topsoil and grass for the outfield, installation of safety bases and pitching rubber anchors and temporary outfield fencing. Additional Phases would include a scoreboard, lights, improved dugouts and spectator seating, plus multiple other improvements. But, we need your help!!

You can help support this all-volunteer, non-profit organization **with a tax-deductible donation**, while generating awareness of your company and its community involvement. We offer different levels of sponsorship opportunities:
