\* Please ask your teams to show up 10-15 minutes before their assigned times. We have a tight schedule so out of respect for those who will follow your team please don't make them late.

\* The League provides a photo button and a Memory Mate (team photo with individual shot of your kid) included in your registration fee. The photo envelope has details of extras available for purchase.

\* All players should have filled out a photo envelope package, regardless of whether you are ordering extras. The envelopes are used to deliver your completed photos to you. Extra envelopes are in the snack stand.

\* The League will not be rescheduling times for teams that have conflicts. Teams are welcome to trade times among themselves on a mutually agreeable basis - if you do swap times, please let us know so we can keep track
