

Luke Axtell's Jayhawk Elite Training

Guard / Perimeter / Big Man Skills Training

We incorporate biomechanics with the latest offensive techniques to create a complete basketball player. Our workouts are specifically tailored to each individual's needs. Jayhawk Elite Training wants to see each client improve until improvement produces success on the court. Individual workouts and clinics are available.

Luke Axtell has played every position at the Division 1 level successfully, as well as at the professional level overseas.

LUKE'S BASKETBALL BIO

Throughout Luke Axtell's college basketball career, he received multiple honors, including Big 12 Rookie of the Week three times and Great Alaskan Shootout All Tournament Team. Before being sidelined by injury, he averaged a point for every two minutes played for the Jayhawks. Despite injury in college, he continued his career at the international level, playing a short time professionally overseas. Luke has coached clinics and camps throughout his playing career and last coached a high school boys' Varsity team at Hill Country Christian School of Austin. Luke has a strong desire to take what he has learned from his basketball experience and invest it into the Lawrence community.
